BIG HASSLE ON CITY TRAFFIC PROBLEMS

BIG THREE — Chamber Officers (left to right) Joe Rohl, second vice president; Frank Curry, president and Victor Lycett, first vice president, shake hands at Nov. 16 Installation Ceremonies at Val's Restaurant.

CALLAN TRIAL DATE IS DEC. 6

The jury trial of land developer Tom Callan Jr., son of the former supervisor, and Sergie Gregoriev, former teacher at Carlmont High School, San Carlos, charged with felony involving real estate transactions, was continued Monday until Dec. 6. Lawyers for the accused made a motion to dismiss all the charges.

Callan and Gregoriev were indicted by the San Mateo County Grand Jury on 68 counts of felony, but both have denied the charges. They were indicted Nov. 1 on charges of forging names of seven persons on "phony" quit claim deeds involving 20 tax delinquent lots on the coast side. The pair were released on $2,500 bail each.

It is alleged that Callan, who lives at 2845 Summit drive Hillsborough and Gregoriev, who formerly lived in Atherton, but now lives in Novato in Marin County, conspired to acquire 20 tax delinquent lots valued at $19,680 by paying back taxes of $820, forging deeds and attempting to clear title in court.

El Portal Closing; Eastmoor Ave., Blvd. Congestion Discussed

Citizens demands for action on so-called "dangerous" crossings in St. Francis Heights and Westlake, kept the Daly City Council on its toes Monday night, Nov. 27. A demand was again voiced for closing of El Portal boulevard.

There was a long discussion on the El Portal closing, following a demand by Don Leek, 56 Cliffside. But Mayor Robert St. Clair said that until the city gets a report from the traffic committee the council will not make a decision. This report is expected Dec. 11.

Traffic Dilemma

The El Portal protest involves a traffic dilemma in which increasing traffic flows through Westlake Estates onto Lake Merced boulevard. Petitioners feel El Portal should be closed to slow traffic.

The city feels that there is a problem, since the area (subdivision No. 1) is contiguous with San Francisco County.

The proposed routes onto Lake Merced south of the "triangle" formed by the lake have been refused by San Francisco. This causes traffic to be channeled up Cliffside, onto El Portal and by a temporary access road onto Lake Merced going north.

Not In The City

Mayor St. Clair put a quick damper on Atty. Harry Farber's request that a 4-way traffic signal be put at the Eastmoor boulevard entrance into St. Francis Heights since the land is not on city property.

Farber, representing several St. Francis Heights citizens complaining about the hazardous intersection, also asked that the city provide a double lane road at Eastmoor boule-

He also recommended that a vard to eleviate conjection.

DC To Have New Mortuary, Dry Cleaners

Daly City will soon have a new mortuary and a new dry-cleaning establishment.

The city council Monday, Nov. 27, approved a use permit filed by Fred Houweling, 1425 Broadway, Burlingame, for establishment of Serra Mortuary to be located north of Westlake avenue and east of the Southern Pacific Railroad.

Houweling said the building would cover approximately 60 per cent of the lot and there would be parking spaces for 36 automobiles with space in two driveways for parking during funeral services.

The council approved the use permit application of Charles Mabardy, 1587 Viero avenue, Sunnyvale, for a synthetic dry-cleaning plant in St. Francis Square Shopping Center at St. Francis boulevard and Southgate avenue.

DALY CITY BUS TRANSPORTATION CALLED "DISGRACE"

The Chamber of Commerce will form a committee to try to improve bus transportation in the Daly City-Colma area, which Chamber president-elect Frank Curry calls "a disgrace to Daly City."

Plans are for a transportation system to run from Mission to Market streets and into the Westlake area. The chamber has already discussed the Market Street terminal with the municipal bus line of San Francisco.

This line would have to be subsidized by Daly City, Curry said, since San Francisco would be overstepping its boundaries on this side, and might run into a deficit.

Curry said many persons have complained to the Chamber of the poor service given by North Gate Transit Company of Daly City.

Curry said this "jitney" line runs into Westlake and along Mission and into St. Francis Heights, but can not be guaranteed to be on time or on schedule.

"Try to call and find out what time the buses run, and they're not around," Curry added.

He said the lack of adequate transportation only adds to the divided town problem already evident in Daly City.

OFFICERS INSTALLED

Curry, Lycett, Rohl New Chamber Leaders

Frank Curry, head of Curry Distributing Company, 7355 Mission Street, was installed recently as new president of Daly City's Chamber of Commerce at annual installation ceremonies at Val's Restaurant.

Curry succeeds Frank Martorana, head of Aero Motors, 7073 Mission street.

Bernard J. (Bud Lycett), who was deputy coroner of Northern San Mateo county for over 20 years and is now assiciated with the George Harrison Realty Company, is the new first vice president.

The chamber installed Joe Rohl, manager of the PG&E Company in Daly City, as second vice president. Secretary is Alise Shea of the Westlake Improvement Assn. and treasurer is William Sweeney, Jr. of William Sweeney and Sons.

Newly installed directors include Lycett, Joseph Sarto of Villa Sanitarium, Peter Nofziger of Pacific Coast Aggregates, George Smith of Mission Bell Motel, Ramona Birke, Alyce Shea, Dave Friedenberg and Charlie Maroosis.

Master of Ceremonies at the installation was Jack Kendree. Vince Murphy, was chairman of the entire affair.

FRANK CURRY

Curry, 44, a Westlake resident, has lived in Daly City 10 years. He is a native of Uniontown, Pennysylvania and attended Brownsville, Pa. High School and Duquesne University. Frank and his wife are the parents of Kathleen and Frank Jr., Our Lady of Mercy students, and have a four-year-old daughter, Coleen.

BERNARD LYCETT

Bernard (Bud) Lycett is 46 years old and lives at 100 Fairlawn, Daly City, with his wife, Bunny, daughter Susan and son Edward. He was born and raised in San Francisco's Mission District and graduated from St. Ignatius High School in 1934.

In 1939 he married Mrs. Lycett and moved to Daly City where he has been ever since. Lycett was a deputy corner of Northern San Mateo County for over 20 years and is now associated with the George Harrison Realty Company.

JOE ROHL

Joe Rohl was born in Newport News, Virginia, in 1902 and came West with his parents in 1912. After the 1915 World Fair in San Francisco they made their home in Sacramento.

After finishing high school and a short period working for the Bank of Italy, Joe decided to go to the University of California at Berkeley. His ambition was to be a civil engineer.

In 1927 he started as a cadet with the PG&E company and wound up in the sales department. He wed E. Genevieve Twogood in 1933 and after serv-

Brisbane Deals Draw Deathblow

One of Brisbane's first ordinances, Ordinance No. 13, an appropriate enough number for those who don't believe in the fortunes of good luck, was passed by the new city council Monday night in an attempt to outlaw gambling and poker playing within the city limits of the new city.

Draw poker, formerly one of the features of this isolated little hill town, was declared illegal even though the game is allowed under State laws.

Present at the first council meeting was County Clerk John Bruning, who administered the oath of office to new city officials, and warned them that they will be subject to "growing pains."

The city's first mayor, John E. Turner, commented that "we probably have the flatest treasury in the nited States. We realize our job will take a lot of time, but we are thankful for the large majority that voted for incorporation."

The city begins with $27 in the treasury, a donation from the incorporation committee. Eleven dollars of that has already gone for the purchase of a new city seal.

Some of the other ordinances adopted were:

Setting the city council meetings for the second and fourth Mondays of each month in the auditorium of Lipman Intermediate School.

Enacting a municipal sales tax.

Adopting the county zoning ordinance.

Adopting a fire prevention code.

A discussion developed about applying for urban renewal funds, and Conrad B. Reisch, city attorney, stated that before the city would apply for these funds, the proposal would be submitted for referendum vote by the citizens.

Town Hall Travels North--Brings Transit Discussion To Daly City

Town Hall Association of San Mateo County will hold a Daly City meeting on rapid transit at City Hall in Daly City, 75 Wellington avenue, at 8 p. m, Monday, Dec. 4.

The association, holding against rapid transit, will present its special study report to Daly City citizens. A general discussion will follow the report.

James Himmel, director of the association, recently stated, "The Southern Pacific does almost as good a job as the rapid transit people claim they will do. There will be a differential, but we're being asked to pay $250 million for it."

Property owners of Daly City, Colma, and Broadmoor are urged to attend this meeting where all will have opportunity to be heard. Both sides of the issue will be presented.

A spokesman for rapid transit recently stated that the Town Hall group is "confused" about the issues involved.

The San Mateo County Board of Supervisors will hold its first meeting on transit on Thursday December 7. Town Hall has stated that its intention is to be able to present to the board an indication of public feeling on the issue so that the correct decision can be made.

The Board of Supervisors must decide on or before December 27, to either stay in the district or get out.

City-County Civil Defense Pact OK

Daly City councilmen Monday, Nov. 27, approved a joint powers civil defense agreement with San Mateo County "to provide for the protection and safety of their citizens in time of emergency and disaster . . ."

The agreement calls for establishment of a disaster council planning board, the membership of which will consist of a mayor or councilman from each city and a chairman, who will be a member of the county board of supervisors.

Supervisor James V. Fitzgerald is area coordinator. A deputy coordinator is to be appointed full time to have a staff and be responsible to the development of a civil defense program under the direction of the planning board.

The planning council, or policy making board, will be advised by a council of city managers or administrators.

The deputy coordinator will coordinate county-wide plans for civil defense shelters or evacuation.

During time of disaster the area coordinator will be responsible for civil defense for all cities. In the absence of a declared disaster, such as the 1957 earthquake, the cities will be responsible for their own defense.

Councilman Edward Dennis was named to attend a special

Muscular Dystrophy Drive To Begin

Thousands of men and women volunteers will be marching up and down streets and lanes, ringing doorbells from November 30 to December 3, for the annual muscular dystrophy campaign.

These volunteers are giving their time in helping to fight the dread, crippling disease and will identify themselves by the Jerry Lewis MDA kits.

Funds raised during the campaign go towards research to find a cure for the disease which first cripples then kills

Planning Urged For Business, Industry

Chamber of Commerce president-elect Frank Curry said this week that acreage should be set aside in future Daly City annexations for light or heavy manufacturing or commercial interests.

"We have no land to offer for manufacturing sites . . . . nothing!" he said.

Curry said that if the city finally decides to annex the Christen property, it should mark a parcel of this land for manufacturing use.

The Chamber at this moment, he said, has noted about half a dozen offers from industries to move into the city. But, Curry said, there is no place for them to go.

"I'm for continued growth of Daly City," Curry added," but there should be something like

Plea Changed In Terror Case

The 19 and 21-year-old sons of Daly City police officer John Van Otten changed their pleas and pleaded guilty to conspiracy charges Monday, Nov. 27, in the alleged terrorizing of a Sunset District Jewish couple for many months.

Steven John Van Otten, 21, and his brother, Barry, 19, entered the new pleas before Superior Judge Harry H. Neibarth. They are two of 10 youths accused.

Their attorney, John J. Fahey, moved for probation and a hearing was set for Dec. 18.

The eight other accused youths are due to go to trial

Make Plans For School Tax Vote

Sixteen Terra Nova High School students journeyed to the Jefferson Union High School Board of Education meeting Monday night and came away with a little better idea of who runs our schools—and how.

The students, members of Richard Coltrell's class in American Problems, saw more than just a routine meeting as the trustees voted to approve Superintendent Morgan's recommendation for a district tax increase, and approved a resolution to notify the county Superindent of Schools of a district vote early in February 1962.

At the last meeting of the Board, Superintendent Morgan told the trustees that an increase of 65c on each $100 of assessed valuation was needed. That would raise the tax tab from $1.35 to $2.

Monday night the members of the Board expressed their opinions.

"Since 1947 (the date of the last increase) we've added three new schools," said Dr. Jerry Miles. "We're running four plants instead of one. In all fairness, to maintain a high standard, the tax increase is justified."

The last increase in taxes for the Jefferson school district was given in 1947. Until that time, residents were paying 75c per $100 to maintain Jefferson High. In 1947 the voters raised the tax rate to the present $1.35. During some years the needs of the district were such that the full $1.35 was not needed. During those years the full amount was not taxed.

"We were able to build up a reserve in the past that kept us from asking for an increase," said Board President James Cooper. "But now that reserve is exhausted."

During 1960-61, the Board ran a deficit of $229,152. In 1961-62 the deficit was $421,916.

President Cooper continued: "The Board is guided by the administration. The administration has kept the district on its feet. And when I speak of the administration, I speak of its head, Superintendent Morgan. I can truthfully tell you that there is nothing Superintendent Morgan dislikes more than to ask for a tax increase. It has only been done after a great deal of thought."

The Board then considered the names of prominent citizens to head the executive committes sponsoring the increase.

Tentative date for vote on the issue is February 2, 1962.

He said that more manufacturing would mean more jobs for Daly City residents and this would help to promote jobs for students coming out of school. As it is, he said, most youths go elsewhere to find jobs.

Commercial, manufacturing interests could pay a large share of the tax burden now paid by property owners, Curry said.

More Stop Signs

Councilman Frank Pacelli voiced a suggestion for another stop sign at Mirada and Eastmoor avenue to help school children crossing Eastmoor from Christopher Columbus School. Mayor St. Clair said that Eastmoor was a major artery to the city and perhaps another stop sign would slow traffic unreason-

Dedication Set For Award-Winning-Designed Fernando Rivera School

"Squares' In A Circle" has been the phrase used to describe the architectural plan design of Jefferson Elementary School Districts Fernando Rivera School which will be dedicated Thursday evening, November 30, with a theme entitled "A School Is Born," Mrs. George (Theana) Themelis, Fernando Rivera PTA president, announced.

Fernando Rivera School has been named after the colorful, late 18th century, Monterey Garrison Commander by the students at the school. Fernando Rivera lies adjacent to Westlake Park at 101 Lake Merced Blvd., in Daly City, it is a K-6 elementary school with 315 students and 10 teachers.

CIRCULAR WALK

The school's floor plan consists of four 72-foot square classroom buildings, each leading off a corner of the central 40x80-foot multi-use building. A circular walk with a 170-foot radius surrounds this cluster of structures. Three of the classroom buildings have 4 spacious classrooms and the fourth accommodates classrooms and the school office without breaking the architectural .continuity However, most projects are not fully appreciated in architectural plan, except by engineers and airborn travelers.

The outstanding feature of Fernando Rivera school is not how it looks from above, but rather how it appeals to the children, teachers and adults who use it. The unique design of the school scores, however, from either angle.

Mrs. Carol Dawson, the new principal (with over 15 years' experience in education) has said of the new school, "I have never enjoyed an assignment as much as I do at Fernando Rivera; the children are proud of our beautiful and efficiently designed school, it is truly an asset to education."

UNIQUE DESIGN

Fernando Rivera's unique, architectural award winning design, is the work of Mario J. Ciampi F.A.I.A. — Paul W. Reiter Associate — prominent S. F. Architects. Fernando Rivera has won for them, in addition to many other architectural awards, the coveted A.I.A. (American Institute of Architects) 1961 National Honor Award for Architectural excellence. This award and our school has received wide publicity in architectural magazines and papers throughout the country.

At the dedication ceremonies, according to Mrs. Themelis, Ciampi will outline the "Origin of the Fernando Rivera Design" and will formally present to the children of Fernando Rivera the contemporary brass sculpture work "Ruckus in the Rookery" now erected in the school's east patio. The sculpture was created by the prominent sculptor Leonard Stanley, assistant professor of art at San Jose State College, who is a proponent of the theme that sculptural form must blend with architectural design.

Distinguished Speaker

Dr. Julio Bortolazzo, president of the College of San Mateo, will be the principal speaker at the dedication program, Mrs. Themelis said. "Dr. Bortolazzo is well known throughout the county, state and in our national government for his interest and contributions to American education.

Dr. Bortolazzo earned his Ed. D. degree from Harvard University in 1949. He has been associated with the United States department of state and the Ford Foundation prior to becoming president of the College of San Mateo. Dr. Bortolazzo is a dynamic public speaker and we are most fortunate to have him." Mrs. Themelis said his address will be titled "Education — Top Priority for the '60's."

Choral Verse

A highlight of the program, according to Mrs. Themelis, will be an original creative choral verse entitled, also "A School Is Born," directed by Miss Jane Finley, a sixth grade teacher at Fernando Rivera who has been associated with several Little Theater groups.

The choral verse is in several acts, with background music of silent movie days, it will depict the major steps that are taken to establish a new school with more than 25 Fernando Rivera students making up the cast. Benjamin Franklin school's glee club, conducted by Mrs. Elda Black, and the Fernando Rivera orchestra, conducted by James Sharpen, will also have important parts in the program.

Another feature of the dedication program will be a picture story of the "Building of Fernando Rivera School," furnished by the Douglas Fir Plywood Association of Tacoma, Wash., which will be explained by Earl Pennington, the Bay Area's representative for the association.

School Trees

Also on the program, Mrs. Themelis said, will be the presentation to the school of trees, shrubs and plants to landscape the entrance and south court. This gift is being made by John R. Winblad, owner of the Midstate Construction Company of San Francisco, builder of the Fernando Rivera School.

One tree, a lovely Monterey pine, will be a living symbol of growth that will serve as a Christmas tree for years to come. Richard Foster, superintendent of Jefferson Elementary School District, accompanied by O. Wayne Douglas, president of the Board of Trustees, will present an attractive dedication plaque to the school.

Along with members of the city's elementary and high school districts and prominent representatives of civic and social groups will be present the officers and many members of Fernando Rivera PTA.

The public is cordially invited to attend. The program will begin promptly at 7:30 p. m. in the school's multi-purpose room. The school is located just off Alemany boulevard, across from the Westlake Shopping Center, on Lake Merced boulevard, adjacent to Westlake Park in Westlake.

Make Plans

In other action at this busy meeting, Morgan presented the Board with the results of a survey conducted here recently by Stanford University, gathering opinion on double sessions in the schools.

About two thirds of 2,151 community leaders, teachers, parents, and students were against the double sessions. Though a financial savings would be realized, those questioned did not feel that this would outweigh the disadvantages.

Another question asked was whether school children should study more of the 3 R's. Eighty-four per cent said yes, sixteen per cent, no.

Members of the Terra Nova class attending the meeting were: Larry Anderson, Joyce Barnhart, Gail Carter, Bernadette Critchlow, Dan Daniloff, Virginia De La Fontaine, James Eveland, Bartley Kerr, Jean Pope, Ian Panaszewicz, Robert Prudhomme, Linda Scroggie, Albert Smith, Sally Smith, Arlene Stinette, and Russell Von Glahn.

Beta Sigma Phi Holds Discussion On Love

Psi Epsilon chapter of Beta Sigma Phi held its regular meeting at the home of Mrs. William Ferguson, Jr., 966 Newman drive, South San Francisco, on Tues, Nov. 21. Mrs. Frank Slone gave the program on "Interpretation of Love."

The group has been dressing a doll for sale, proceeds to be given to cystic fibrosis. The doll was shown in her wedding gown of white lace, made by one of the members. Other presentations were a knitted coat and dress, a velvet sheath and a peignoir.

At the close of the meeting, the pledge ritual was read for Mrs. Robert Orth, who was unable to attend the dinner.

The next meeting will be held at the home of Mrs. David Dickson, 800 Memorial drive, South San Francisco, on Dec. 5, at 8 p. m. Mrs. Gino Pettinari will give the program on "How Is Your Conversation?"

Buy an annuity and live
Financial insecurity can lead to a barren and lonely existence for the older person. Those years after 60 can also bring the fear of out-living capital and the worry of managing the savings of a lifetime. The result—often severe stresses that can be dangerous to both physical and mental health.
People who buy annuities buy freedom from worry and fear. Our annuitants find that a regular income guaranteed for life brings peace of mind, helps make those sunset years a rich and satisfying experience. And we know that many live to a ripe old age.
Whether you are 30 and buying an annuity in advance or you are 70 and want payments to start now there's an annuity designed to bring *you* peace of mind. The Man from Manufacturers would be pleased to give you the complete story. Be sure to ask him about the favourable tax picture.

FIRE FACTS

This column is written by Daly City firemen and will be published in this newspaper weekly with the main purpose of informing the public of pertinent information about their fire department.)

The Daly City Fire Department has been using sirens or air horns to call its volunteer firemen for almost 40 years. This practice continues today, since 45 per cent of the men in the fire department are volunteer firemen and work on a paid per call basis.

These 32 men operate two pumping engines from the two volunteer stations in Daly City and operate in conjunction with the full-time paid personnel. These volunteer firemen are a necessary part of the fire department because of the shortage of full-time personnel allotted by the city budget.

Daly City is indeed fortunate to have 32 men of this caliber that have donated their time for training and metings and are willing to answer the call of duty when they are needed for an average salary of less than $200 per year.

These men go through a 20 hour training program and a 20 hour first-aid course on a voluntary basis after their appointment and thereafter attend from one to five meetings a month without pay.

The training program for thees men is a continuous one, as is in the full-time department, with the men drilling as many as six evenings a month. This additional manpower brings our quota closer to that recommended by the National Board of Fire Underwriters and therefore benefits the taxpayers in this area by further reducing the fire insurance rates.

The cost to the city in salaries of all the volunteers is only about the same as the cost of one full-time fireman.

Other reasons for having the air horns in Daly City include the calling back of off-duty paid personnel in case of a major catastrophe or conflagration and also as a Civil Defense warning device in case of a national emergency.

While this method of alerting the volunteer firemen is not the most popular way with some of the citizens of this community, it is the most practical and economical method at the present time. The fire department is, however, gathering information about the cost and practibility of an electronic alerting system that could possibly be used as a substitute for the air horns in most cases.

At the present time, the fire department is undergoing certain changes in the positioning of the air horns around the city for better audability and reception by those concerned. Since these air horns are a definite and the fire department is looking into other feasible methods of alerting the necessary personnel, we hope you will bear with us until we have had the opportunity to analize and evaluate these alternate systems.

Last week, Nov. 20 through Nov. 26, the fire department recorded the following 37 calls:

Auto accidents and fires, 5; drier fires, 1; chimney fires, 1; false alarms, 5; floods (minor), 1; garbage can fires, 1; gas leaks, 1; grass fires, 1; house fires, 2; lockouts, 9; pole fires, 2; resuscitator calls, 4; stove fires, 2; washing machine fires, 1; wide down, 1.

Fifty years ago this month, volunteer firemen were undergoing an extensive program of installing some of the first fire hydrants in Daly City. These hydrants were all put in by the volunteer members of the fire department because the city itself could not stand the expense of paying labor to do the job.

Thought for the week . . . How long has it been since you had a home fire drill?

USS Kearsarge Duty For Richard Krake

Richard E. Krake, aviation boatswain's mate airman, USN, son of Mr. and Mrs. Adolph F. Krake of 44 Frances avenue, Pacifica, is serving in the Pacific aboard the anti-submarine warfare support aircraft carrier USS Kearsarge, which entered the Bremerton, Wash. naval shipyard on Nov. 1 for a seven-month modernization program.

The Kearsarge, which operates out of Long Beach, Calif., is receiving the modernization upon completion of a seven-month tour in the Western Pacific with the Seventh Fleet.

Letters To The Editor

Cliffside Drive Debate Continues To Boil

Editor:

We, as residents, owners and taxpayers of 51 Cliffside drive, Daly City, seriously object to the opening of El Portal way. This, we feel, will funnel all the traffic from Westlake Estates onto Cliffside drive. We do not wish to see the lives of the many children on Cliffside drive jeopardized by the additional traffic that will have to travel this residential street.

Cliffside drive was constructed as a residential street. It is not constructed to be and should not be used as a boulevard.

We have personally measured the distance between the pedestrian crossing at North Mayfair avenue and Westlawn avenue. We found a distance of approximately three-tenths of a mile between these two pedestrian crossings.

We are sure that not only the residents of Cliffside drive, but also the residents of Westlake Estates will not only be inconvenienced, but also suffer from the traffic problem that would be created by the opening of El Portal way.

Sincerely,

EDWARD G. PHILLIPS
MADGE B. PHILLIPS
51 Cliffside Drive.

Editor:

As a resident of Cliffside drive, I protest the opening of El Portal way as the only entrance and exit for the new Westlake Estates.

I have lived on Cliffside drive for 12 years and this street has always had a heavy flow of traffic, and I do not appreciate living on a boulevard which it will become after the new unit opens.

I have driven around the new unit and do not understand why an entrance and exit could not be made off Lake Merced boulevard. There are two accessible roads there now.

I am sure our city engineers are intelligent enough to see their serious mistake, and it could and should be corrected promptly.

Sincerely,

MRS. BARBARA BININGER
49 Cliffside Drive.

RIGHTS AND PRIVILEGES accruing to native residents of Biloxi, Miss., were bestowed on A/2c Bridget M. Vilfroy, (right), daughter of Mr. and Mrs. A. W. Stratton, Jr., of Daly City, in USO "Pal Day" ceremonies. Airman Vilfroy, presently stationed at Keesler Air Force Base in Biloxi, received a certificate from Mayor Daniel Guice, making her an honorary citizen of the Gulf Coast recreation capital. She was honored later at a special dinner provided through the lourtesy of the USO, the Chamber of Commerce and the City of Biloxi.

COUNTY DOINGS

No sooner had the turkeys got the axe when folks began making plans for Christmas

A dual Santa appeared in downtown San Mateo and Hillsdale on Nov. 25. He was using two different means of transportation, flying in by helicopter to land at Central Park. And at the same moment he drove into the Hillsdale shopping center pulled by a red-nosed Rudolph.

The Old Elf arrived in Westlake on Nov. 24, made a quick survey of the shopping center, then backed up his armored truck to the Bank of America building and stashed away a load of Christmas gifts in the bank's vault for safekeeping.

Brisbane prepared for a new year at 5 p.m., Monday, Nov. 27, by becoming a city, thus making the grade after numerous attempts to gain municipal status. Police and fire districts are to be coordinated and completion of a road through Crocker Canyon to Daly City is in the works.

The San Mateo Junior Chamber of Commerce held its second annual "Turkey Trot" cross country race Nov. 23 over a two-mile course on the Crystal Springs golf course. Hillsdale took eight of the first ten places and turkeys donated by San Mateo merchants were given to winners of the first 14 places.

In other turkey headlines . . . Joe Louis Wilberley of San Mateo was accused of making off with a turkey from the Villa's kitchen. Wimberley, who is employed as a potwasher, was apprehended by Officer John O'Leary, chief of the Villa's security police, as he tried to motor away with the bird in his car.

Pfc. Llewellyn On Champ Bowling Team

Army Pfc. Richard G. Llewellyn, son of Harry R. Llewellyn, 275 Los Olivos avenue, Daly City, is a member of the bowling team which recently won the 3d Armored Rifle Battalion, 51st Infantry bowling championship in Mannheim, Germany.

Llewellyn, who has been overseas since last May, is a clerk in the battalion's Headquarters Company. He received basic training at Fort Ord.

A 1959 graduate of Sir Francis Drake High School in San Anselmo, Llewellyn was employed at the Drake Market in San Anselmo before entering the Army in December, 1960.

San Mateo County has been selected to be the first local government unit in the Bay Area for a Federal govrnment fallout shelter plan. The shelter study will be conducted by local civilian engineering firms in each county, under the jurisdictionn of the U. S. Navy in the nine Bay Area counties and the state of Nevada.

A telephone strike affecting the San Mateo County communities of South San Francisco, Sunnyvale and Burlingame affected long distance callers last weekend. About 7,000 workers walked out in locals throughout the Bay Area. The suspension of 393 union members at San Leandro's Western Electric plant was at the core of the dispute.

A NOTE* This material was selected from a twenty-four hour day of patrol as made by the Daly City Police Department. The day was selected completely at random. No effort has been made to pad or delete any instances. The items listed above are specific happenings as reported by Patrol, Traffic, and Investigative officers, as preserved by the Records Division. The Department maintains units on patrol around the clock. **Patrol is continuous. The above instances represent interruptions of patrol, whether by a citizen's complaint, an observation of the officer, or an assigned detail.**

This patrol activity is the city's first line of defense. There is much staff and service activity which serves to back up the patrol effort. As a brief example, the activity just covered involved communications, as does most human activity —specifically, here, the patrol effort represents communications in the amount of 141 telephone calls and 295 radio messages broadcast.

San Mateo College Gives Examinations

Placement examination dates for the Spring semester at College of San Mateo have been announced by Edmond O. Shinn, director of San Mateo's testing program.

In making the announcement, Shinn called particular attention to the several revisions in the test schedule and to the shortened time allowances for individual tests.

On Saturday, Dec. 9, the English placement list will begin promptly at 8 a. m. in the men's gym of the Coyote Point campus. It will be followed by the aptitude test, from 10:30 to 12:30.

The math placement, required of all students who plan to enroll in sections other than beginning algebra or geometry, will start at 1:30 p. m. in the men's gym.

Also scheduled for the afternoon of Dec. 9 is the aptitude test for the vocational nurse training program. Testing will begin at 1:30 p. m. in room 19C, Coyote Point.

Shinn has indicated that students must be ready to begin tests at the scheduled starting times. Those arriving late will have to take tests at future dates. In addition, students must provide their own transportation to campus and, in the absence of food service on Saturdays, must make their own arrangements for lunch.

Additional information and applications may be secured from the office of admissions and registration, College of San Mateo.

R. E. Jones Serves Aboard Navy Carrier

Robert E. Jones, journalist second class, USN, son of Mr. and Mrs. Edward S. Jones of 677 Grand avenue, South San Francisco, is serving in the Pacific aboard the anti-submarine warfare support aircraft carrier USS Kearsarge, which recently entered the Bremerton, Wash., naval shipyard for a seven-month modernization program.

The Kearsarge, which operates out of Long Beach, Calif., is receiving the modernization upon completion of a seven-month tour in the Pacific with the Seventh Fleet.

YWCA Plans Glamor Talks

"Glamour for the Holidays" will be the theme of a two-part program of the Monday Morning YW Wives, sponsored by the North San Mateo County YWCA, and meeting at the Westlake Bowl.

December 4, Miss Helen Lew of the Patricia Stevens Finishing School, will talk on the "Social Graces" (how to be your poised best as hostess or guest at holiday entertaining).

December 11, Miss Diane Darnell will lecture on "Wardrobe and Makeup" (how to look more glamorous during Christmas partying). Miss Darnell, a professional model, is an experienced teacher of charm and modeling.

Local young wives and mothers are invited to attend these programs from 9:30 a.m. to 11:30 a.m. at the Bowl. Nursery care is available for infants and pre-school children.

Vincenzo Silvio Services Held

Services were held for Vincenzo J. Silvio, formerly of 1959 Junipero Serra boulevard, on Sunday, Nov. 26.

Mr. Silvio, a Daly City resident for 48 years, passed away on Nov. 24. Requiem High Mass was held at Our Lady of Perpetual Help and was followed by 8 p.m. Rosary.

Mr. Silvio was interred on November 24 at Holy Cross Cemetery.

Silvio is survived by his wife, Cesira; sister, Mrs. Anastasia Giusti; brother, Fillipo Silvio; nieces, Mrs. Mary Pucinni, Mrs. Jennie Yeoman, Mrs. Attilia Baldetti, Mrs. Adriana Galli, and Adelio Silvio; nephew, Leo Silvio; and sisters-in-law, Mrs. Pietrina Conci and Gianina Cardenti of Italy.

Services were conducted by W. C. Lasswell & Co., Daly City.

FIGHT MUSCULAR DYSTROPHY

County Elective Officers All Plan To Try Again

Two of the San Mateo County Supervisors whose terms expire next year plan to run for re-election, it was announced last week.

Incumbents Edward R. McDonald and T. Louis Chess on the Board, plus some twelve other incumbents in county offices, plan to try and keep their jobs.

McDonald has been a member of the Board since his appointment by ex-Governor Culbert Olson in 1941. He has always won re-election in the primary election, never being extended to a run-off. In 1958, 72,000 votes were cast for him—largest a supervisorial candidate in this county has ever received.

McDonald isn't sure who his opponents will be this time. "Andy Byrd (Mayor of Burlingame) told me he was going to run against me," he said, "but now he has announced that he will run for the state assembly."

A rumor has it that U.S. "Les" Simonds Jr. of Burlingame will run. Though Simonds hasn't announced yet, McDonald said, "I have heard that Simonds intends to run against me, but I don't know that it is so."

Simonds would not elaborate.

The sheriff, Earl B. Whitmore, will run again. County Superindendent of Schools James R. Tormey and District Attorney Keith C. Sorenson likewise will seek re-election.

Other incumbents who will try again are:

County Clerk John A. Bruning, Tax Collector Lorraine Dickey, Recorder Ruth Kirste, Assessor Ralph Woodman, Engineer Don S. Wilson, Coroner-Public Administrator Paul B. Jensen, Treasurer A. H. Sagehorn, and Controller Ira A. Boynton.

Only judge coming up for re-election is Superior Judge Frank M. Rowe, appointed to fill a vacancy last year.

Troop 259 Holds Court Of Honor

Broadmoor Troop 259 Court of Honor held last week found proud parents witnessing their sons receiving promotion in rank and merit badges for hard work well done.

Boys receiving Second Class were: Richard Esponto, Steve Wiard and George Robbins. First Class: Edmond Temple and Eddie De Martini.

Merit Badges were given to Greg MacCarthy for athletics, Chris Edwards for fishing, and Edward De Martini for swimming. James Townsend, promoted to Life Scout at a previous Court of Honor, earned badges in nature, hiking, life saving and fishing.

Rusty Quibell earned badges in marksmanship, woodwork, life saving, soil and water conservation, personal fitness and camping.

Mr. Sydney is Scoutmaster and is assisted by a group of interested fathers.

The weekend of Dec. 9 is going to be a campout and mistletoe gathering trip for the boys. Each year they sell the pretty greens and earn money for their various activities.

Fire Horns Should Stay, Says Kennedy

Daly City fire horns might be frightening, but they're very useful, according to Fire Chief Elmer Kennedy.

Speaking up for the horns at the Nov. 27 council meeting, Kennedy stated that although some people think they might be a signal for an air raid or something, they are the best method for calling volunteer firemen.

"I don't feel they should be taken out," he said. The reason the horns blow at noontime is primarily to test them, he added.

Kennedy said the fire department has only two full-time crews of 15 men — not enough to cover the whole city in all emergencies — thus the reason for the call horn for volunteers.

Horns are located on top of city hall, at central fire station, Werner street station and at the pump house and Niantic and Citrus.

Westmoor High Choral Groups Plan Songfests

Westmoor High School's mixed chorus and girls' glee club, led by William Ardis and Howard Loeffler, will entertain the Christmas shoppers at Skyline and Westlake Plazas on Dec. 13.

At 7 p. m., the two choral groups will be present at Skyline Plaza to bring musical cheer to shoppers. Among the songs these groups will be singing are: "Come All Ye Faithful," "Oh Tannenbaum," "Silent Night" and other traditional songs. Again, at 8 p.m., the groups will sing at Westlake Shopping Center in the mall.

Both groups have performed three and four part arrangements that promise to add sparkle and gayety to familiar Christmas songs.

In addition to singing for the public on the evening of Dec. 13, Westmoor's choral groups also will perform separately at luncheons. Mixed chorus, under direction of Ardis, will sing at the Rotary Club luncheon on Dec. 13. Girls glee club, led by Loeffler, will perform for the Chamber of Commerce on Dec. 14.

Grand finale of the choral groups will be on Dec. 15, when they will appear at a special Christmas assembly for the entertainment of Westmoor's student body. This final Christmas show featuring the music department of Westmoor is designed to be an old-fashioned sing-along.

Rites Held For Linda May Sea

November 22 services were held for Linda May Sea, Daly City resident of 36 years, at the mortuary of W. C. Lasswell & Co., Daly City.

Mrs. Sea was a native of England, and a California resident of 51 years. She resided at 499 Templeton avenue, Daly City.

She is survived by a daughter, Mary Ada Sea; brother, Walter, England; and was the widow of the late William Sea, Jr.

Inurnment was held on November 22 at Olivet Memorial.

Central American Education

(NOTE: Numerous requests have been made concerning the "lighter" side of the motor scooter journey made by the four Ben Franklin School teachers, that a recess is being called in order to present one of many humorous experiences. The article that follows is a chapter from a book now in its final stages of preparation, titled "We Slept in the Damndest Places," and is previewed in this column for the first time. Carl, Bob, Vic and Paris, referred to in the chapter, are the names of the teachers involved in the trip.)

—o—

CHAPTER 3
GNATS AND MORE GNATS

In the quest for suitable sleeping accommodations, the four teachers were always quick to take advantage of the polite offers of accommodations from Customs officials. These offers were given in response, generally, to the direct inquiry from Vic: "Can we sleep here?"

Most readers will find it difficult to believe that the group preferred the cement sidewalks which bordered the Customs buildings to the wide open spaces — BUT, when consideration is given to the possibility of sleeping with spiders, snakes or fresh water sharks, the reader will surely realize that the Customs sidewalks were not only more soothing for the mind, but a whole lot safer.

One evening it began to get dark as the group was wending its way through a tropical area of Mexico. There was no Customs building in sight, or for that matter a village of any type within many, many miles. The Mexican dew had started to trickle down, and threatened to descend in bucketfuls within a few minutes. A hurried consultation was held and the group decided to find one of the thatched waiting huts that had been noted along the road, to use for shelter for the night.

These huts had been constructed by the farmers for their farm laborers, and served as a protection from the elements, for the laborers, while they wait to be trucked to the fields to work the crops.

A few miles from the point of consultation, held by the teachers, they discovered one of these "truck-stops" and were elated with their findings. The hut was back from the road, which, they thought, would give them privacy as well as protect them from the glare of headlights of passing autos — which had been experienced in prior sleep-outs. They parked their scooters, took off their bedrolls and engaged in general light chatter about their good fortune, until Bob made a decision that it would be a good idea to have a fire and dry out some of the clothing before retiring.

Being a person of action, as well as father of four children, he went to work gathering dead twigs, logs, brush, and everything else that looked like it would burn, including one flashlight, several pencils and a Spanish dictionary, which Carl had thought safely stored in his scooter, but wasn't. The next problem to be overcome was the igniting of the collection. Bob tried! Yes, indeed he tried, even to the extent of taking gasoline from the scooters and pouring it on. This resulted in a beautiful flare up, in which all hands had to turn to, in order to keep the hut from burning down—but instead of the hut burning down, the fire did, and a breath-taking smoke screen developed.

While atempting to avoid mass extermination by suffocation, Vic lifted his swollen eyes heavenward and discovered that there was a little hole, about the size of a seven foot man, in the top of the hut. Since a torrential rain was not depositing itself on the hut and occupants, it seemed rather evident that this hole might be contributing to the hardships encountered by Bob and his fire, along with the possibility that if something wasn't done real soon all the gear, as well as the occupants, would be suitable candidates for the TV program, "Underwater."

Vic, master mechanic, looked over the situation, grabbed his pancho, in a determined effort to prove that he also was a man of action and decision. Climbing up the side of the hut, he placed his pancho over the hole, and returned to the inside of the hut displaying a smile of achievement and accomplishment. He was given full credit for his quick thinking, even though the pancho was placed over the hole in such a manner that the trickles of rain ran down the pancho, down the wooden supports of the hut, and into the hut where it formed small wading pools which soon became mud holes, right where the four teachers had placed their sleeping gear.

By this time, Bob had given up his idea of a fire, since the rains continued to work in opposition to his efforts, and decided the answer to everything was that light was needed. To obtain this light, he went to his scooter, started it and turned on the headlight. This was just not Bob's night, for the starting of the scooter was the signal for the gnats to attack, and attack they did. Thousands, millions, trillions of them descended on the hut and began to enjoy a fiesta, featuring a main course of North American schoolteachers. Gnats and more gnats. Little ones, big ones, every kind, size and shape. Each an expert divebomber, carrying its own little humming motor that sounded louder than a jet breaking the sound barrier.

Quickly, Carl and Paris obtained the mosquito netting from their scooters. The netting was put together in the form of a tent. One of these tents housed the sleeping bags of Paris, Carl and Bob, in that order. The other housed Vic and his six inch cot. (Since Vic and his cot are treated extensively in the chapter titled "Geared for Sleeping," it will suffice to say that the six inch cot refers to the ground and bottom level of Vic and the cot.)

The men hastily (between whaps and slaps at the gnats) climbed under the netting and into their sleeping bags, clothes and all, in an attempt at self-preservation and to avoid being the main course of a gnat's dinner.

All heaved sighs of relief, turned over and waited for the sandman to arrive. Occasionally a gnat would hum through the netting, which would be followed by a human cuss, a slap and an "ouch"! But the members were tired and soon settled down for the night — they thought!

Just as he was dozing off, Paris opened his eyes with a start, for he had the strange feeling that all was not quite right. He started to draw up his legs, to sit up, but found they were immovable. He twitched what he thought was his toes—but no feeling. Delightful thoughts entered his mind from some of the movie thrillers that he had seen. He imagined a great many things such as, snakes coiled ready to strike, fierce animals with fangs bared, just after snapping off a foot, or a terrible parilyzing tropical disease which had took hold of him, as a result of a gnat's bite. These were extremely interesting possibilities, provided the circumstances had not been so downright realistic.

Just as Paris, in a weakened falsetto voice, attempted to get assistance from his fellow members, Carl gave an unearthly groan and turned over, which immediately released the feet of Paris. Carl had thrown his feet, with boots over the top of Paris' legs, while stretching out for the night. Carl gave several more of his unearthly groans, when Paris found his voice and tested it in all keys, on Carl, before allowing the group to return to the land of nod.

About two in the morning, Bob waked to hear a heated discussion between some natives on the highway. They had flashlights and were extremely verbal in their remarks, which Bob could not interpret. Bob whispered to Carl, who had also heard the disturbance, and both sat up to listen intently, even though they had no idea to what they were listening. Finally, the flashlights were turned off and the natives disappeared. Bob and Carl Discussed the matter and decided it probably was natives who might have been a bit unhappy to find their shelter occupied.

Later, in Mexico City, the teachers met an American who was asking them about the trip and the accommodations. When they related their experience on the Mexican highway, and those just related in this chapter, a strange look crossed the American's face and he asked for more details—location, distance from next village, etc. This roused the interest of the teachers and they questioned him on his interest. He responded with, in his judgment, the group had spent the night in one of the most dangerous parts of Mexico. That along with the animals, there were humans so very poor that they would think nothing of slitting a throat or four throats for a pair of shoes. He went on further, in explanation, by surmising that the talking heard from the natives was probably a decision being made on whether or not the four scooters, and drivers, were armed. When the American was told that no arms or any type were carried, he slowly shook his head, negatively, lifted his eyes and said, "Madre mio," God was good to you, this time, but please don't make His helping so difficult. Sleeping out in Mexico is fine, but do so only where you have protection."

Whether or not the American friend was accurate in his placing of this episode in the correct locale is a matter of conjecture — however, it does add a little spice, and an occasional chill, to the memory of the adventure, and the possibility of another ending, far different, for the four Benjamin Franklin School teachers . . . (and, of course, their insurance companies).

Columbus Boys Become Cubs

Cub Pack 182 was born recently at the Christopher Columbus School in the St. Francis Heights area. A group of citizens and their boys met with representatives of the Boy Scouts Council and sponsored the pack. It is hoped that as soon as the Christopher Columbus Parent-Teachers Assn. is established, the pack will be turned over to them for sponsorship. Meanwhile the pack has been formed and the boys are working toward their various achievements.

So far two dens have been established and are meeting each Monday afternoon following school. Mrs. Phyliss Erlich and Mrs. Maria Barrows are serving as den mothers.

The following boys are enrolled and working toward various Cub Scout achievements: Jim Bari, Jules Ehrlich, Dave Stein, Tom Miller, John Harrison, Jeffery Cochran, Bernie Bagshaw, Louis Barrows and Bradford Stein.

The pack committee consists of the following adults: Frank B. Barrows, chairman; Bernard Bagshaw, Thomas Miller, John Harrison and Ernie Stein. Bernard Bagshaw is the Cub Master.

All parents and boys interested in joining Cub Pack 182 are requested to telephone Frank B. Barrows at PL 6-3694. Let's give the kids something to do and make them a part of the community, too. All boys between the ages of 8 and 11 are welcome to join.

Youths Charged In Ring Theft

A 19-year-old Daly City youth and his 15-year-old half-brother were arrested Nov. 28 on charges of allegedly stealing a diamond ring and other goods from 584 Bellevue avenue.

Charged with the theft is David E. Bell, 19, 588 Bellevue avenue, who assertedly used his 15-year-old half-brother as an accomplice.

Police said Bell is charged with taking a $500 diamond ring, a $100 man's pocket watch and various papers from a basement apartment. Investigator Matthew F. Murray said Bell went to a jewelry department of the U.S.E. store at Alemany and Lawrence streets and asked for a reappraisal of the diamond, adding that he found it on a bus.

He later gave the stone to a girl friend and flushed the ring down a toilet. The girl returned the stone to police.

Bell made the theft and then asked his half-brother to retrieve it from the roof of the building, police said. A salesman at the U.S.E. store was suspicious of Bell and reported the youth to police, Murray reported.

Demo Women To Hold Wine Party

The public is invited to attend the "Gala Festival of the Grape," a wine-tasting party sponsored by the Democratic Women of the 27th Assembly District.

The party will be held this Sunday, December 3, from 4 to 6 p.m. at the Broadmoor Community Center, 714 White street, in Colma.

Serving on the committee are Mrs. Alan Eisan of Pacifica, president of the group; Mrs. Joseph Fassler of Pacifica; Mrs. Daniel Fogliasso, of Colma; Mrs. John Burke, of South San Francisco; Mrs. Antonio Gaudio and Mrs. Tony Governale, of San Bruno, and Mrs. John Boucher, of San Mateo. Tickets will be available at the door on Sunday, or from any of the committee members.

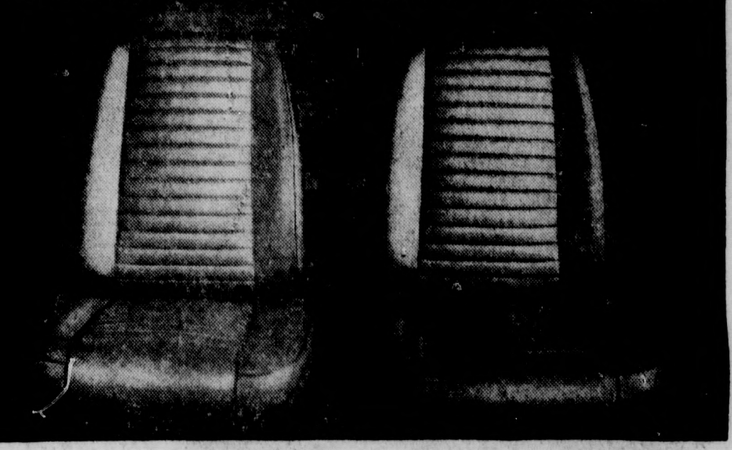
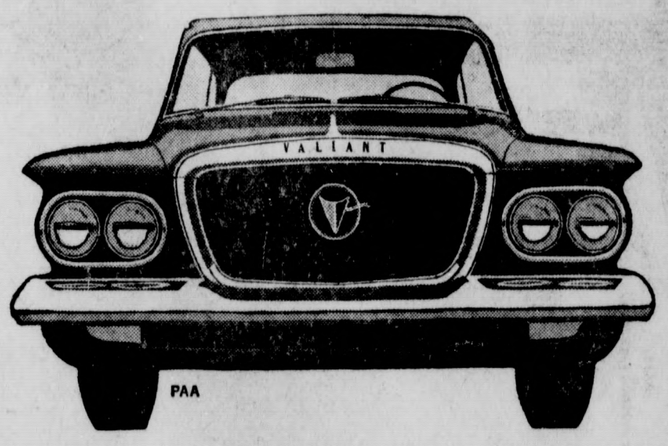
BUCKET-SEAT BEAUTY AT A BLEACHER-SEAT PRICE



VALIANT SIGNET 200



THE LOWEST-PRICED BUCKET-SEAT HARDTOP IN THE WEST!

Think that the glamor of real bucket-seat beauty is too expensive? Not when you do business with your Plymouth-Valiant dealer! Wait'll you see this new Signet 200. Sleek as an arrow with a costly looking interior that'll knock your eye out (and have the neighbors wondering when you came into a fortune). But the Valiant Signet 200 just looks expensive. Your Plymouth-Valiant dealer has a deal that'll put a Signet 200 in your driveway, bucket seats, peppy engine and all, for a lot less than you might ever imagine. Want proof? Come on in and see!

GLAMOR INTERIORS like Signet's used to be the private property of expensive, imported sports cars!

BLAZING PERFORMANCE . . . at no extra cost. To match the performance of Valiant, you'd have to pay extra for an optional engine in most low-priced compacts. Valiant's peppy engine is standard.

THE ECONOMY LASTS! Gas economy? Just remember that a Valiant scored 26.13 mpg in last year's Mobilgas Economy Run. More savings. For example: 32,000-mile lube cycle on major chassis points. Change oil only half as often as last year.

Test-drive the new Valiant Signet 200 at Plymouth-Valiant dealers!

Westlake Bowl Has Third Anniversary

Westlake Bowl will celebrate its third anniversary Saturday, Dec. 2 with a gala anniversary party beginning at 7 p.m. Dancing from 9 to 11 and buffet at 11:30. Free flowers for the ladies.

The growth of the Westlake Bowl has coincided with the expansion of Westlake itself. The Bowl opened for a "trial run" on the evening of Nov. 28 when owner Johnny Swanson invited workmen who played a part in the construction and furnishing of the Bowl to try out the lanes.

The first public notice of the Bowl was a picture in the Westlake Times of July 16, 1958, showing developer Henry Doelger turning the first shovel of dirt.

A short four months later, plans were finalized for an expansion to 52 lanes making Westlake the largest bowling center in Northern California.

Balanced Program

A well balanced program offers features for all ages. Among programs offered is a complete Saturday morning schedule of instruction and league play for youths from 8 to 18. In addition there is a Friday afternoon class for beginners, two junior tournaments each year and match games with teams representing other bowling centers of the Bay Area.

Ladies utilize a nursery for supervisory care of children while mothers bowl during daytime hours. Included in the weekly daytime groups are the YWCA, B'nai B'rith, A-1 Nursery League, fourteen of the mothers' clubs from parochial schools of the area, San Francisco State College wives.

Sunday morning finds forty-eight fathers and sons bowling in organized league play.

And almost 3,000 league bowlers bowl weekly on Westlake Lanes. There is a full spread of handicap leagues for the men.

Special Features

One of the special features of the bowl is the annual Daly City Police Athletic League Benefit Bowling Tournament which has generated over $15,000 for the youth program of the area.

Many non-bowling activities are conducted in this unofficial "community center" including YWCA affairs, such as monthly fashion show luncheons, weekly bridge classes, monthly Friends of the Library Book Reviews and many one-time community affairs. The banquet room of the Bowl is the scene of luncheon meetings of the Rotary Club, Optimist Club, Westlake Merchants Association, Daly City Chamber of Commerce and many other groups.

A solar furnace being built at the University of New South Wales in Australia will concentrate the sun's rays into a beam of more than 4,000 degrees Centigrade temperature.

California's famous pigmy forest lies between Little River and Albion Beach in Mendocino County.

Garden Village Plays Football

Tuesday, November 7 a new intramural league started for the intermediate grades at Garden Village School. Officers for the boys touch football teams are: captain Pat Sullivan and co-captain Ronnie Cruz from Miss Larsen's room; captain Joe Camacho and co-captain Allen Haskett from Mr. Madariaga's room; captain Arthur Wilcox and co-captain Gordon Robertson from Mrs. Schneider's room and captain Steve Manis and co-captain Mike Tobin from Miss Randisi's room.

Girls softball teams: captain Christine McBain and co-captain Betty Henry from Miss Larsen's room; captain Elaine Chiosso and co-captain Sylvia Hudson from Miss Demattei's room; and captain Cathy Meade and co-captain Joann Berken from Mr. Madariaga's room.

REPORT CARDS

This week ended the first report card period and scholastic recognition was given to the following: Cathy Meade, Robert Parkinson and Sheryl Jeppson.

At the last meeting of the Garden Village Student Council, it was decided to adopt red and white as the official school colors. Also the council is preparing a new school constitution to be studied in the fifth grade as part of the social studies program.

HEARING TESTED

Hearing tests were held for all first and fourth graders under the supervision of Mrs. Cutright, school nurse. These tests determine whether a child needs special attention in the classroom or a referral to a physician.

THE MAZURKA—Kay's School of Dance, located at 484 C street in Colma presented its annual revue Nov. 5 at the Colma School. Pictured is a scene from the Ballet Suite. The young dancers also performed at St. Joseph's Orphanage, Nov. 17 to an enthusiastic audience and for local PTA groups.

(Back row) Coach Everett Heick, Dale Taylor, Karl Fleischauer, Bill Mason, Greg MacCarthy, Steve Shea, Lee Williams, Craig Castro, Jim DuPort, Coach Major X. V. Cipriano. The Darts tied for the championship with the PAL Cowboys, and defeated PAL in a play-off game.

Formulate Plans For 17th Dist. CCPT Dinner January 18

By SALLY STEIN

Special committee of the 17th District, California Congress of Parents and Teachers, under the direction of Vice President Mrs. L. E. Engleman, met recently at the Health and Welfare building in San Mateo to formulate plans for the annual 17th District dinner, scheduled for Jan. 18, from 7 to 10 p.m. at the Elks Club in San Mateo.

Other members of the committee include Mrs. C. H. Preston, extension director; Mrs. J. Howell, reservations; Mrs. B. B. Green, who resides in San Mateo; Mrs. J. P. Cuneo, public welfare director of Burlingame; Mrs. Anthony Poderis, hospitality, Redwood City; Mrs. John Montgomery of San Bruno, and Mrs. John Pleskach, financial secretary, San Francisco.

Another meeting of the dinner committee has been slated for the afternoon of Dec. 4.

JEFF SENIOR RANKS HIGH IN SCHOLARSHIP

Bill Baird, senior class president at Jefferson High School, has been honored for his high performance on the National Merit Scholarship qualifying test given last spring. He was one of the two per cent who qualified nationally among high school students.

Active in the model senate, and holding the capacity of student majority leader, Baird is one of the top students academically in his class.

Bill has been selected to attend the American Friends Service Committee Conference at Asilomar in February. He was the school's representative of Boy's State last summer.

After graduation he plans to study political science or law. Baird is the son of Mr. and Mrs. Joseph Baird, 866 Templeton avenue, Daly City.

Rivera Children Fill 50 Xmas Gift Boxes

The fourth, fifth and sixth grade students of Fernando Rivera School have successfully completed a Junior Red Cross project. The children filled 50 gift boxes with toys, educational articles, and health supplies. This was done with the spirit of Christmas in the air and the attitude of giving rather than receiving.

Colorful and attractive wool beanies loomed by the children were added to some boxes. These gift boxes will be sent to children in foreign countries.

Daly City Men Rank High In MONY Sales

Life insurance men Kenneth R. Kimball, of 34 San Miguel, and Eddy Wynschenk, 61 Park Plaza drive, both Daly City, ranked among the sales leaders in Mutual of New York's annual October sales campaign.

Kimball was fifth in MONY's 11-state western sales region in total protective value of life insurance submitted while Wynschenk was fifth in the region in number of applications submitted, another measure of sales achievement.

The two are associated with MONY's Leonard Stiller agency in San Francisco.

Special Christmas Payment Slated At Penney Store

Don Davis, local manager of the J. C. Penney department store in Daly City, announces a special Christmas payment for store associates.

The payment, which will include all regular associates employed on or before October 1, 1961, will be made on Dec. 1.

All those eligible will share in the payment except management staff members who participate in the company's long standing profit-sharing or other management incentive plans.

The payment is in addition to regular company provisions for associates' benefits including sick benefits, hospital and surgical insurance plan, noncontributory group life insurance, Penco Profit-Sharing Retirement Plan, discouts on purchases and others.

Older Persons Are Susceptible To Accidents

Pedestrian deaths in California are up 11 per cent over last year, Capt. John W. Kennedy, commander of the California Highway Patrol's Redwood City area, said this week.

"And the tragic fact is that more than one-third of the 514 deaths recorded during the first eight months of 1961 were persons 65 and older.

"These fall days are particularly hazardous for the pedestrian because earlier darkness and unfavorable weather conditions tend to reduce the driver's visibility.

"The older person is especially susceptible to an accident because he may take a few seconds longer crossing a street, and he is unable to react as quickly if an automobile suddenly appears.

"Both drivers and pedestrians have a responsibility to exercise additional caution," the captain said. "Drivers should be alert to the danger of reduced visibility, particularly at night when pedestrians are difficult to see.

"Persons walking along a roadway should always face traffic, wear light or bright-colored clothing, and if possible, carry a light. When crossing streets, pedestrians should be certain that approaching drivers see them before stepping into a traffic lane."

It's SPARE TIME at Westlake Bowl

by Jim Grealish

Next Saturday night, the Third Anniversary Party at Westlake Bowl will celebrate three years of operation of this popular community center. The program will start at 7 p. m. with a special Junior-Senior Match Game between a team of the best Junior bowlers and a team of Westlake Bowl employees. The Juniors with an average of 937 are Randy Wilcox, Carl Steigerwald, Jim Fisher, Phil Hargrove and Joe Marasco. Dancing will start at 9 p.m. and a free buffet will be served at 11:30. Flowers will be presented to the ladies.

Neal Corbett made it two in a row by shooting a 243 game and a 589 series to again lead the Southgate Mixed Fives League. Helen Harvey was the leading lady with a 191 game and 507 series. Welcome back to bowling to Secretary Marilyn Nottingham.

Herb Carr's 610 led the B'nai B'rith and all the other leagues last Monday night although John Schmidt of Quartz 'n Pints shot 244 for high game honors.

New records continue to be set in the Ladies' 785 Scratch League — this time by Sue Burgoyne with a 250 game.

Al Palmer was the Master in the American Masters 900 Scratch with a 630 series on games of 234-192-204 while Jim Marston and Bob Laube both broke the 600 barrier, Jim with 619 and Bob with 607.

Best wishes for a speedy recovery and return to bowling to Mollie Huckaby of the Carl Wilkie Restaurant team. Since returning from her vacation, she has been confined to her home.

Progress was the most important word for Rich Mibach in the Country Club League as he started with 181, then 204 and finished with a 224 game for a 607 total.

John Schmidt of Quartz 'n Pints continues to pound the wood in the 805 Scratch League, this time with a 244 game and 597 series.

The semi-annual Men's House Championship qualifying is now in progress and will continue until December 10. The top 25% then qualify for the semi-finals while the 8 highest shooters then move into the final round.

"Christmas Fashions on the Lanes" is the theme of the North San Mateo YWCA Fashion Show and Luncheon scheduled for 1 p.m. December 7. As is traditional with the December show, the luncheon will be served on the lanes with the models displaying the various fashions in front of sixteen of the lanes. Since the seating is limited, advance reservations may be made by calling YWCA Director Elaine Wolfe at PL 6-7370.

Recreation Dept Hoop Season Begins

The Daly City Recreation Department's annual boys basketball league will swing into action Dec. 2.

Fifth and sixth grade leagues will play their games at the War Memorial Community Center gymnasium. Seventh and eighth grade action will take place at the Westmoor High School gymnasium. The fifth grade league will play an eight game schedule, while the sixth, seventh and eighth grade leagues will play a 10 game schedule.

Coaches of the teams in this year's league include:

BYA — Jerry Plyer, Ernest Kerger, Dick Hyde, Bob Abbot, Sam Mannina, Everett Heick, George Brenk. Ben Franklin—Bill Mendosa. Holy Angels—William Lewis, Jack O'Dea. OLM—Tom Duffy, Dan Coffey, Jim Davis, Elmer Nelson, Bob Eidler. OLPH—Jim McInerney, George Ambrosia. PAL—Boyd Hillyer, Omar Grimes, Tom Barr, George Pedroni, Rich Brewer, Ed Leveroni, Ron Kruger, Bob Kramer. New Pisa—Carl Gustasson.

These leagues will include approximately 458 boys on 28 teams in active participation. To complete the league, 128 basketball games will be played in addition to playoffs. Game time for fifth and sixth grade leagues will be at 11:30 a.m. Saturday, Dec. 2, at War Memorial Community Center.

Seventh and eighth grade action will begin at 10 a. m. at Westmoor High School. The public is invited.

Knights of Columbus Christmas Party Set

The San Francisco Council No. 615, Knights of Columbus, is having their annual Christmas party on Dec. 2. It will be held at the Engler's Club, 20 Tenth street.

The time is 8:30 p.m. until 1 a.m. Music will be provided by the Eddie Alley orchestra.

For entertainment, the following items are on the program: favors for the ladies, spot dances and an excellent buffet supper at 10:30 p.m.

All members and their families and friends are invited to this special affair for adults only.

Class Activities, Projects Enjoyed At Westlake School

Exciting projects and activities are reported from various classrooms at Westlake School as teachers and students near the mid-year mark in the school term.

Mrs. Beber's third graders continue to work with enthusiasm on their Pueblo Indian unit. After a thorough study of the period, the children are engaged in the building of a large pueblo, making looms, studying about Indian jewelry, foods, and ceremonial customs. The unit will culminate with the making of piki bread for the class.

Youngsters in grades two and three, a combination class taught by Miss Johnson, saw first-hand the mechanics of a public library operation during a recent journey to the Daly City Library. The class listened to an informative talk by Miss Kraus, who showed the children the many different kinds of books and explained membership procedure in the library. Later, the class visited the Merced boulevard fire station where Curtis explained fire department procedures. The boys and girls were impressed by the way firemen take care of the hose after it is used and by how much hose there was.

Miss Johnson also reports that Junior Red Cross boxes have been filled with "something for fun, something for education, and something for health."

On a recent trip to the Planetarium in the Golden Gate Park, Mrs. Hjelmstad's fourth graders learned about radio waves, the Northern Lights, and the Planets. This culminating activity was described by Kristine Carrillo, a fourth grader, as follows:

"The show we saw was called "Radio Waves." We also saw the sunset as it was on November 9. Several planets were visible; there was a new moon, and we saw the "Northern Lights." We were fascinated by the number of stars. It was all most interesting. Mrs. Sklavos and Mrs. Renninger went with us."

A harbor tour on the ferry "Harbor Princess" was enjoyed by the first grade classes of Mrs. Maine and Miss Nolan. Upon their return, the children wrote stories, poems, engaged in art activities, and dramatized their experiences. Accompanying the classes were Mrs. Terlacher and Mrs. MacDougall.

In Mr. Kerin's fifth grade, arithmetic has taken on a more appetizing meaning as the students dig deeper into the whys and wherefores of fractions. After a preliminary introduction with visual aid materials, several students prepared loaf cakes which were divided into fractional parts—and enjoyed. The students think this type of arithmetic lesson is always a delicious experience.

Koffee Klatch Plans Are Made

Plans for the second annual Westlake School koffee klatch are being formulated. It will be held the afternoon of March 12, and carry the theme "Westlake Spring Tune Up."

This event will feature a demonstration in cosmotology by Mrs. Lorraine Bush of the College of San Mateo. Tickets will be available in January.

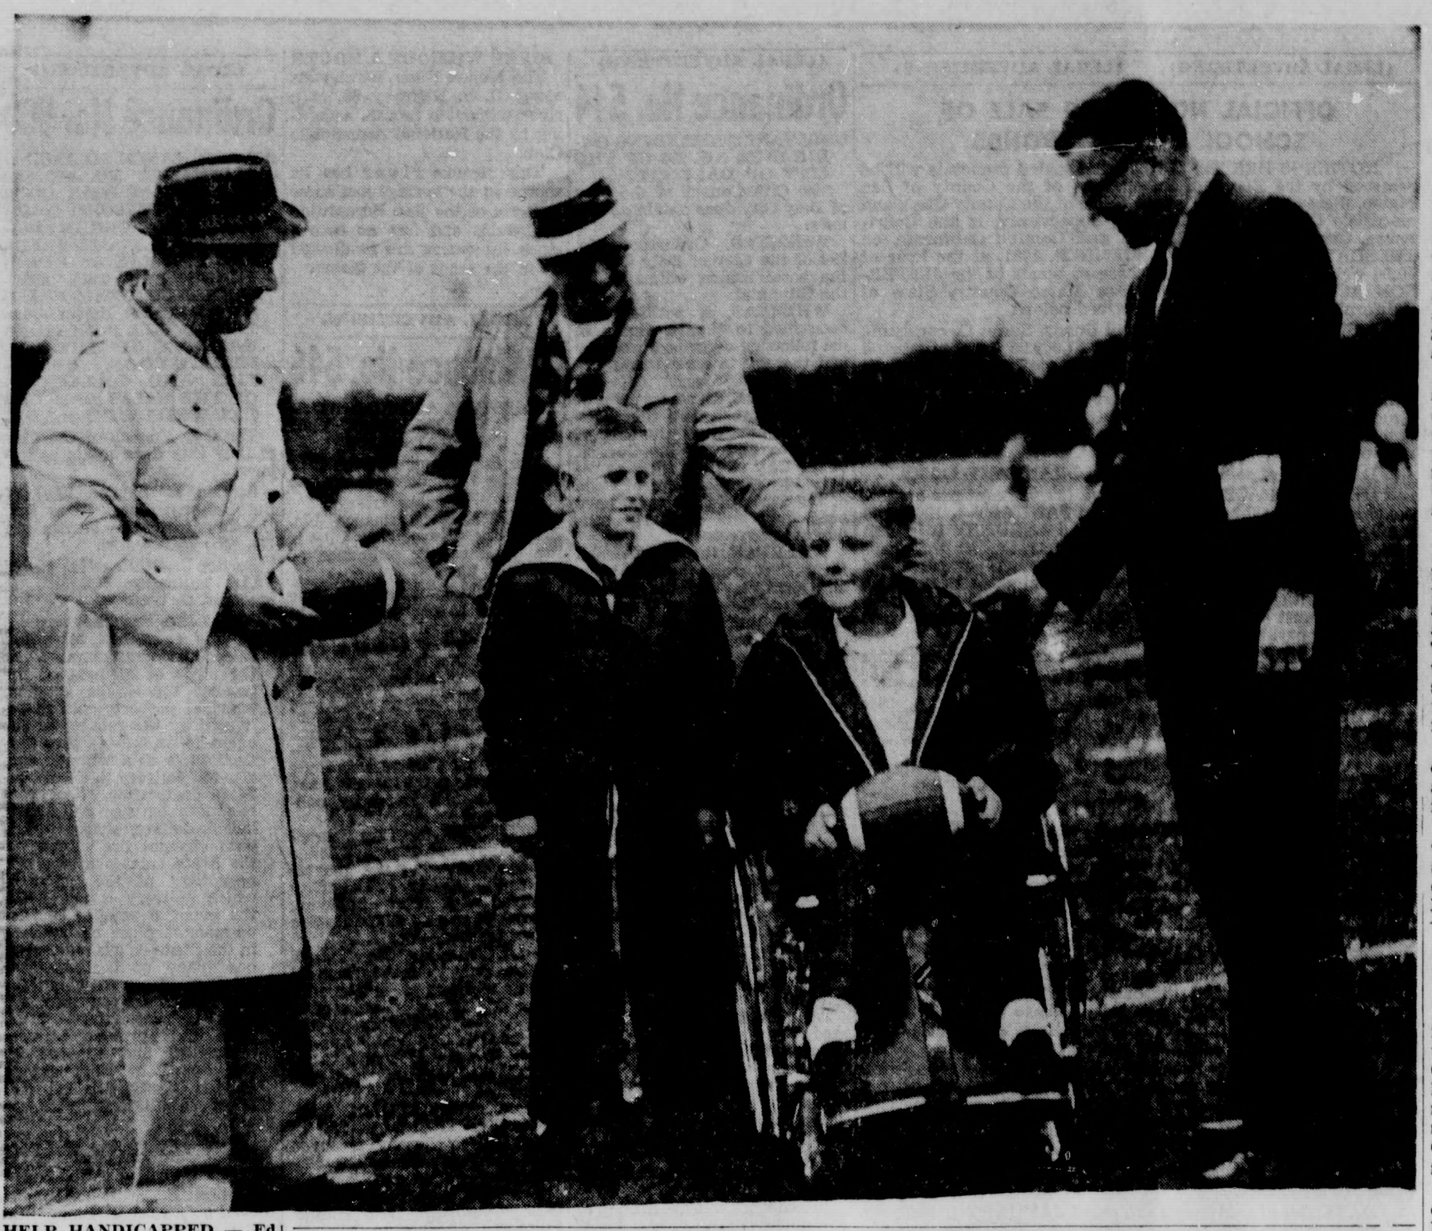
Next regular meeting of the Westlake PTA will be held Dec. 7. Mrs. Peggy Ednoff, president, has appointed Mrs. Doris Coghlan, koffee klatch committee chairman. Mrs. Coghlan has asked the following committee members to help her:

Mrs. Jackie Eichalberger, refreshments; Mrs. Margie Davis and Mrs. Lorraine Lingoins, tickets; Elizabeth Parry, publicity; Mrs. Lucille Greiff and Mrs. Kary Klein, gifts; Mrs. Phyllis Reade, hospitality and Mrs. Carol Dikas, nursery.

Anyone wishing to assist should contact the committee chairmen.

MOOSE

One moose per square mile in good haditat is a fairly high population level, according to the National Automobile Club.



HELP HANDICAPPED — Ed Schultheis, chairman of the Third annual Elk Bowl game and Vic Rosa, exaulted ruler of the South San Francisco Elks Lodge present to the Elk Bowl theme boys Barry and Bill Frith, game balls that were signed by members of both squads. The proceeds from the Elk Bowl game will go toward providing handicapped children with a better way of life.

Serra Vista PTA Plans Member Drive

The classrooms with most parents joining will receive prizes from Serra Vista PTA, membership chairman Mrs. James Berryessa announced.

The membership drive contest will feature a first prize of $15, second prize $10 and third prize $5. The money will be used for extra classroom supplies.

Third Demo Candidate To Run For Assembly

William F. Gately, Millbrae attorney, became the third Democratic candidate for Louis Francis' assembly seat last week with the announcement of his candidacy for the Democratic nomination.

Also announced for the Democratic post are Leo Ryan, Capuchino High School teacher, and George Mason, Pacifica councilman.

Gately has served as president of the San Mateo City School Board, and previously has run for the state senate. He lost the senate race, but was the highest placing Democrat.

The only announced Rebublican for the seat is Andrew C Byrd, Burlingame councilman. Tom Bocci, former judge, is supposedly considering the race.

He is for east-west highways, expansion of beach areas and small craft harbors, greater utilization of the school system, and a program to "develop the character and capacity of our youth to learn, to work, and to assume the responsibility of our heritage."

Gately, 41, lives at 1036 Murchison dr., Millbrae, with his wife, Barbara, and two children, Lynda, 8, and Jeffrey, 2.

BRISBANE IS NOW A CITY

Brisbane became a city Monday, Nov. 27.

The event marked a long battle for cityhood in this hillside community. An invitation to join the North County Council of Cities was extended and accepted.

One of the things that started the ball rolling toward cityhood was a choice for development by Crocker Lands company of the floor of Guadalupe Valley into a modern industrial park. This created tax evaluation beyond that of the residential homes, which until then had entirely made up the community of Brisbane.

The fledgling city council will have its job cut out for it. Residents have complained for years that patchwork street and storm drainage systems in hillside areas should be renovated. It is planned that police and fire districts be coordinated into the city administration.

Safflower is grown for its oil-rich seeds and the by-product, safflower meal, which is used as a supplemental cattle feed.

LOCAL WOMAN'S PARENTS DIE IN FIERY CRASH

A Daly City woman's parents were killed in a fiery crash Thanksgiving Day at Devil's Slide, Pacifica.

The dead victims were identified as Elisha Papo and his wife, Sarah, of 847-32 avenue, San Francisco. The daughter is Mrs. Nesya Firshstrom, 85 Palmdale street, Daly City.

She said her parents had stopped at her house before leaving on a trip to Santa Cruz. They had left her home a few minutes before 5 p.m.

Officers said the car had been struck head-on by another auto on Cabrillo highway at Devil's Slide. The driver of the other car, which also burst into flames, was saved from a similar fate by a Half Moon Bay man who pulled him from the wreckage.

A northbound sedan driven by Cleo Jackson Wheaton, 57-year-old San Francisco auto parts salesman, apparently swerved across the center line of the highway on a curve, patrolmen said, and collided head-on with the Papo's auto.

Ralph W. Carley, Half Moon Bay welder, who was driving behind the Papo car, said the gas tank in the front of the auto burst into flames upon impact and the car spun against an embankment.

He said he ran to the door of the car but could not open the door because it was jammed closed.

It became so hot, he said, that it was impossible to get to the victims. Carley then ran to the other car, which had also burst into flames and carried Wheaton to the shoulder of the road and covered him with blankets.

Wheaton was taken by ambulance to Peninsula hospital with a broken leg and other injuries. He said he was on his way home after attending a funeral in Watsonville.

Women's Day To Be Feted By Church

Women's day will be observed by the Vista Grande ave. Christian Church of Daly City on December 3. The morning service is being planned and carried out by the Christian Women's Fellowship. The speaker for the morning will be Mrs. B. H. Fulghum and the subject will be "For the Living of These Days." The purpose of this observance is to inspire not only the women, but the entire congregation to a more consecrated living for these days.

All the morning hymns will be Christmas Carols with a special solo by Mrs. R. L. Riley and special music by the White Squadron of the V.F.W.

Others participating in the service will be Mrs. R. H. Miller, Mrs. F. L. Tholen, Mrs. R. A. Hacker, Mrs. C. F. Rockey, Mrs. H. Williams, Mrs. H. W. Ford, Mrs. E. Golden, Mrs. V. Merritt, Mrs. R. H. Combs, Mrs. S. Seay, Mrs. N. McGee, Mrs. D. I. McKee, Mrs. N. Martin and Miss Gail McKee.

Baby Drowns In Bathtub

A one and a-half-year-old boy drowned in a bathtub at 181 Park Plaza, Daly City, Wednesday, Nov. 22, after his mother placed him there with two older brothers.

The child, Ricky Warren, son of Mrs. Arline Warren, was placed in the tub with brothers Michael, 3½, and Randy, 2.

Five minutes later, she told police, she heard screaming and found Michael holding the limp body of Ricky in his arms.

Oxygen, administered by Daly City firemen, failed to revive the boy, police reported. The youth is the nephew of Daly City police officer Ralph Warren.

Pre-Chanukah Sermon Slated

Friday evening, Dec. 1, Rabbi Shapiro will preach a pre-Chanukah sermon titled "When the Lamp Burns Low." Chanukah has usually been thought of as a parochially Jewish festival.

The Rabbi's remarks will refer to this holiday as one that has universal significance. Services are conducted at Temple Judea, 95 South Mayfair avenue, at 8:30 p. m. All are welcome.

Jackie

Temple Judea will conduct a special program on the meaning of "The Foster Home." Rabbi Shapiro, who represents the California Board of Rabbis on the JACKIE Committee (Joint Agency Committee for Foster Home Finding), will conduct the service Friday evening, Dec. 1, at 8:30 p. m. at the Temple House.

Chanukah Festivities

On Sunday morning, Dec. 3, at 12 noon the JOY group (youth of the Temple) will present its annual Chanukah Carnival for the Religious School students. There will be games, prizes, fun and food for all. All are welcome at Temple Judea.

Chanukah family worship service: Friday evening, Dec. 8, at 8 p. m. at the Westlake Auditorium, 333 Park Plaza drive, a family worship service conducted by Rabbi Shapiro and Cantor Wachter will take place.

A story sermonette will be delivered by the Rabbi, plus birthday blessings for children born within the months of September through November. A special children's Oneg Shabbat will take place following the service.

Chanukah Celebration

Sunday morning, Dec. 10, 10 a. m. to 12 noon, at the Westlake Elementary School, Lake Vista and Fieldcrest. Men's Club will once again hold its annual Parent-Child Chanukah dessert party, Sunday, Dec. 10, 7 to 8:30 p. m. at the Stonestown YMCA. A gift for each child plus entertainment and refreshments. Admission, $1 per person.

WHITE PELICANS

White pelicans, reports the National Automobile Club, are one of our largest American birds. Their wing spread reaches nine feet.

A Beautiful Beach To Blossom Here

Thornton Beach, bordering the western edge of Daly City, will be transformed next year into a beautifully developed, rapidly accessible area, according to State Department of Recreation and Parks plans.

The state is ready to go ahead with development of an access road. This is in cooperation of the State Highway Department and Parks Department and promoted steadfastly by both the Daly City Council and Chamber of Commerce.

Picnic Area

By Sept. 1, 1962, the state plans completion of the access road, and development of an area for picnicking, sunbathing and other outdoor activities. The swimming-picnicking area will be fashioned in a hollow, sheltered cove running above the beach area and sheltered from westerly winds.

Thornton Beach State Park consists of 51-plus acres with a shoreline frontage of 3,091 feet.

There are presently no developed recreational facilities, according to San Mateo County director of recreation and parks Ralph Shaw. However, the park contains "an excellent well."

Thornton Beach was used heavily during the 1950s when the area was utilized to some degree for both picnicking, sunbathing and surf fishing.

County Beaches

The county adopted a master plan for San Mateo County beaches in 1944, amended it several times and finally adopted it in 1946. In 1945 the state legislature appropriated 10 million dollars for beach acqusition on a matching basis with the county. The county beaches, Shaw said, were then turned over to the state so the state could purchase additional land.

Brownie Troop 248 Invests New Girls

Girl Scout Brownie Troop 248 invited their mothers to an investiture ceremony on Nov. 8 at Olympia School. Bonnie Baumhefner, Julia Daly, Nancy Feldman, Jean Ratto, Christine Romani, Stephanie Sklavos and Carol Stein welcomed seven girls into their troop.

The girls held an impressive ceremony, assisted by Mrs. C. H. Baumhefner, leader, and Mrs. Frederick Daly, assistant leader.

The girls receiving Brownie pins and invested as Brownie Scouts were: Kathy Benard, Christine Cannon, Kathy Kazas, Lily Cortes, Kathy George, Patricia Crandall and Nancy Hopkins. Refreshments were served by Mrs. William Hopkins, assistant leader, and Mrs. Daniel Benard.

Recently the girls of Troop 248 had a wonderful time on a trip to the zoo. They were escorted by Mr. Weaver of the San Francisco Zoo and were able to see many unusual and interesting features.

Westmoor Plans 'College Night'

The guidance staff of Westmoor High School is planning a "College Night" on Dec. 6, at 7 p.m., in the Westmoor Little Theater.

College application procedures will be discussed, along with college entrance examinations and dates, and scholarships available to interested students.

Where students might attend college, and what types of colleges there are available are on the agenda. Universities, state colleges, junior colleges, private colleges and other institutions of higher education, plus tuition and costs of the various institutions will be elaborated on.

Kinds of entrance examinations and the procedure for application are also topics deemed important by counselors of Westmoor.

During the program, parents will hear information about scholarship opportunities. How to apply for national, state and local scholarships is to be part of the evening. In addition, the required tests will be explained.

Additional college financing, in the form of loans, will be outlined. The National Defense Education Act and loans from private sources are types of financing available. College honors, other than scholarships, also will be discussed.

Any interested high school student or parent is welcome at Westmoor's first "College Night."

"Two easy ways to serve a good, hot breakfast that's nutritious and good to eat," says Betty Crocker

It takes only 2-to-3 minutes to cook your family a stick-to-the-ribs breakfast with these hot cereals from General Mills. They offer other health benefits, too.

Protein Plus combines the full, rich goodness of two important grains — *oats* and *wheat* — to give you good taste and good nutrition. That includes plenty of protein — natural, full strength protein. *Protein Plus* actually contains as much protein as meat and milk. And the flavor is delightful.

Hot Toasted 40% Bran is the only cereal that provides all the natural benefits of bran, and at the same time gives you a nourishing *hot* breakfast. And the flavor is delicious — a "country kitchen" flavor like the robust stone-ground cereals of the old days.

Try one of these unique hot cereals for breakfast soon. Remember, as Betty Crocker says:

"You and your good, healthy start you on family need a breakfast to your way... And the healthier your breakfast, the happier your day."

DESSERTS OF THE WEEK FROM Betty Crocker

Now's the time to start thinking about the Christmas gifts you'll mail with love. And what could be nicer than a batch of homebaked cookies — especially if you know someone in the services who can't be home for the holidays. We think you'll like our easy recipe for cookies from Cake Mix. Use any one of our Betty Crocker Layer Cake Mixes. Bake up a variety of flavors. Then pack your cookies in gaily decorated coffee tins—to keep them fresh and crisp—and spread holiday cheer for miles around.

Cake-of-the-week:
CHIPPED CHOCOLATE CAKE . .
A family favorite any season! Make batter as directed on Betty Crocker White Cake Mix pkg.—except fold 2 sq. shaved sweet, semi-sweet or unsweetened chocolate (2 oz.) (about ½ cup) into batter before baking. Cool and frost with Betty Crocker Dark Chocolate Fudge Flavor Frosting Mix. Decorate top and sides of cake by pressing non-pareils (about the size of a nickel) into the frosting.

To give with love:
CREAM CHEESE COOKIES
Good 'n easy! Cream ¼ cup butter and 1 pkg. (8 oz.) cream cheese. Blend in 1 egg yolk and ¼ tsp. vanilla. Add 1 pkg. and flavor Betty Crocker Layer Cake Mix one third at a time; mix well. Chill dough ½ hr. **Heat oven to 375°** (quick mod.). Drop batter by **scant** teaspoonfuls onto ungreased baking sheet; or force batter through cooky press onto baking sheet. Bake pressed cookies **6 to 9 min.**, drop cookies **8 to 10** min. Cool slightly before removing from sheet If desired, add ½ cup coconut or chopped nuts to drop cooky dough before baking. **Makes 6 to 8 doz.** delicate browned cookies.

Holiday time is entertaining time —and we'd like to add to your holiday cheer with a special Christmas offer . . . a beautiful Twin Star Dessert Server for only 60c with a box top from any one of our Betty Crocker Cake or Frosting Mix packages. Twin Star is our exclusive pattern in lifetime solid stainless . . . made by Oneida Community craftsman to add beauty and distinction to your table. ISSUE: $287,000.00, 1959 School Bonds, Series C, consisting of 287 bonds of the denomination of $1,000.00 each, numbered C-1 to C-287, inclusive. Said bonds are part of an authorized issue in the aggregate principal amount of $1,300,000.00, of which $363,000.00, designated Series A, have heretofore been issued and $363,000.00 are now outstanding; $650,000.00 designated Series B have heretofore been issued and $630,000.00 are now outstanding.

DATE: All of said bonds are dated JANUARY 1, 1962.

INTEREST RATE: Maximum five (5) per cent per annum, payable annually for the first year on JANUARY 1, 1963, and semi-annually thereafter on JULY 1 and JANUARY 1, in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate or rates stated in the bid must be in multiples of 1/8 or 1/20 of one per cent per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

PRINCIPAL AMOUNT	MATURITY DATES
$18,000.00	JANUARY 1st 1963 to 1977, both inclusive.
$17,000.00	1978.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on MARCH 18, 1958, and will be issued and sold for the purpose of raising money for authorized school purposes.

FURTHER NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of San Mateo, State of California, at the office of the County Clerk and ex-officio Clerk of said Board of Supervisors in the Courthouse, City of Redwood City, in said County, California, on TUESDAY, the 19th day of DECEMBER, 1961, at the hour of 10:00 o'clock A.M. for the purchase of bonds of the JEFFERSON SCHOOL DISTRICT, of San Mateo County, State of California, more particularly described below:

ISSUE: $163,000.00, 1961 School Bonds, Series A, consisting of 163 bonds of the denomination of $1,000.00 each, numbered A-1 to A-163, inclusive. Said bonds are part of an authorized issue in the aggregate principal amount of $2,800,000.00. The remaining $2,637,000.00 principal amount of said authorized issue may be sold when and as determined by said Board of Supervisors, but it is anticipated will not be offered for sale prior to July 1, 1962.

DATE: All of said bonds are dated JANUARY 1, 1962.

INTEREST RATE: Maximum five (5) per cent per annum, payable annually for the first year on JANUARY 1, 1963, and semi-annually thereafter on JULY 1 and JANUARY 1 in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate or rates stated in the bid must be in multiples of 1/8 or 1/20 of one per cent per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

PRINCIPAL AMOUNT	MATURITY DATES
$18,000.00	JANUARY 1st 1979 to 1986, both inclusive
$19,000.00	1987.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on FEBRUARY 7, 1961, and will be issued and sold for the purpose of raising money for authorized school purposes.

PAYMENT: Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said District. Such bonds are registrable only as to both principal and interest.

SECURITY: The bonds are general obligations of said District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District, subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Internal Revenue Service or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The purchaser will be required to furnish his own legal opinion as to the legality of said bonds.

TERMS OF SALE

HIGHEST BIDDER: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

RIGHT OF REJECTION: Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; unless such time of award is waived by the successful bidder.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 30 days from the day of sale, but not prior to the date of the bonds.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal of School Bonds of JEFFERSON SCHOOL DISTRICT of San Mateo County".

BID CHECK: With each bid must be submitted a certified check or cashier's check for $5,000.00 drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices.

Ordinance No. 544

ORDINANCE AMENDING ORDINANCE NO. 294 OF THE CITY OF DALY CITY

The City Council of the City of Daly City does ordain as follows:

WHEREAS, Ordinance No. 294 of the City of Daly City is the basic zoning ordinance of the City, and

WHEREAS, a petition has been filed to change zoning in the following described property and thereby to amend said Ordinance No. 294, and

WHEREAS, all necessary proceedings both before the Planning Commission of the City of Daly City and the City Council of the City of Daly City, as required by the Government Code of the State of California, have been duly and regularly conducted, and

WHEREAS, the City Council finds that public convenience and necessity and the general welfare of the City of Daly City requires that the following change of zoning classification be established, and

WHEREAS, the City Council further finds that the proposed zoning will not be detrimental to health, safety, morals, comfort or general welfare of the City of Daly City and is not designed for the exclusive benefit of the applicant for said zoning;

NOW, THEREFORE, Ordinance No. 294 of the City of Daly City is hereby amended so as to change the zoning classification of that certain property located in the City of Daly City, County of San Mateo, State of California, to R-1 from Unclassified classification.

Said property is described as follows:

RIVER WITHOUT A MOUTH

The Mojave River, which runs along U. S. Highway 66, is a river without a mouth, according to the National Automobile Club.

This strange river has its source in the springs and snow crevices of the San Bernardino Mountains and has no mouth since its waters are swallowed up in the sands of the desert.

Ordinance No. 550

AN ORDINANCE TO AMEND ORDINANCE NO. 465 OF THE CITY OF DALY CITY, BEING A UNIFORM ORDINANCE FOR THE IMPOSITION OF A LOCAL SALES AND USE TAX AND PROVIDING FOR THE PERFORMANCE BY THE STATE BOARD OF EQUALIZATION OF ALL FUNCTIONS INCIDENT TO THE ADMINISTRATION, OPERATION AND COLLECTION OF THE SALES AND USE TAX HEREBY IMPOSED.

The City Council of the City of Daly City does ordain as follows:

Section 1. Section 2(e) of the Uniform Local Sales and Use Tax Ordinance, (Ordinance No. 465) is repealed.

Section 2. Section 4(a) (2) of said ordinance No. 465 is amended to read:

4(a) (2) For the purpose of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-State destination or to a common carrier for delivery to an out-of-State destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the State sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the Board of Equalization.

Section 3. Section 4(b) (4) (II) of said ordinance is repealed.

Section 4. Section 4(b) (4) (III) of said ordinance is renumbered to 4(b) (4) (II).

Section 5. Section 5(b) (2) of said ordinance is amended to read:

5(b) (2) Wherever, and to the extent that, in Part I of Division 2 of the said Revenue and Taxation Code the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. Nothing in this subdivision shall be deemed to require the substitution of the name of this City for the word "State" when that word is used as part of the title of the State Controller, the State Treasurer, the State Board of Control, the State Board of Equalization, or the name of the State Treasury, or of the Constitution of the State of California; nor shall the name of the City be substituted for that of the State in any section when the result of that substitution would require action to be taken by or against the City or any agency thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this ordinance; and neither shall the substitution be deemed to have been made in those sections, including but no necessarily limited to, sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to provide an exemption from this tax with respect to certain storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such storage, use or other consumption remains subject to tax by the State under the provisions of Part 1 of Division 2 of the said Revenue and Taxation Code, or to impose this tax with respect to certain storage, use or other consumption of tangible personal property which would not be subject to tax by the State under the said provisions of that Code; and in addition, the name of the City shall not be substituted for that of the State in Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 and 6828 of the said Revenue and Taxation Code as adopted, and the name of the City shall not be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 nor the definition of that phrase in Section 6203.

Section 6. Section 5(b) (3) (II) of said ordinance is amended to read:

5(b) (3) (II). The storage, use or other consumption of tangible personal property, the gross receipts from the sale of which has been subject to sales tax under a sales and use tax ordinance enacted in accordance with Part 1.5 of Division 2 of the Revenue and Taxation Code by any city and county, county, or city in this State.

Section 7. This ordinance shall become operative on January 1, 1962.

Section 8. This ordinance shall be published once in The Record, a newspaper of general circulation published in the City of Daly City.

Introduced this 13th day of November, 1961.

Passed and adopted as an ordinance of the City of Daly City, California, at a regular meeting of the City Council of the City of Daly City held the 27th day of November, 1961, by the following vote, to wit:

AYES, Councilmen: Dennis, Pacelli, Verducci, St. Clair.

TWO TIPS ON BRAKES

Don't ride the brake pedal because, brake clearance being smaller than ever, the slightest pressure on the pedal may cause dragging.

Occasionally when brake linings have worn unevenly, points out the National Automobile Club, the car owner will attempt to "get by" with having only the most severely worn lining replaced. This may be justified when all the linings are new and one has been burned through unequal adjustment.

The Spice of Life

It is the part of the wise man to refresh and invigorate himself with moderate and pleasant eating and drinking, with sweet scents and the beauty of green plants, with ornament, with music, with sports, with the theater, and with all things of this kind which one can enjoy without hurting another.

WHEN THE BEARINGS BURN

The impression that bearings in old engines, or ones that have seen continued hard service, are the only ones likely to burn is the basis of a lot of trouble for car owners, according to the National Automobile Club.

Bearings are very much more likely to burn out when new than when old because in their original condition they are tighter. The rest of the car is stiffer, and the result is that the bearings often are forced to stand the strain of the overloading. Straining means heating. The metal of the bearing facing is melted and the bearing clearance is increased to a point where a knock begins.

B'nai B'rith Installation

The fifth annual B'nai B'rith installation of officers dinner will be held Saturday, December 2, 7:30 p.m. in the Redwood Room, A. Sabella, Jefferson and Taylor streets, San Francisco (Fisherman's Wharf).

A full eight-course meal will be served. There will be dancing in the Capri Room after the dinner and ceremonies. Reservations will be accepted up to and including November 28. All friends and members of the Congregation interested in attending this gala affair, should call JU 8-0800 or WY 2-2821.

Rabbi Solomon A. Shore will be the installing officer. Those to be installed are Ralph Welsh, president; Ernest Hartmann, vice president; Mrs. Morton Dobrow, treasurer; Mrs. Leon Hoffman, recording secretary; and Mrs. Edward Nordson, corresponding secretary. Trustees: Messrs. Leon Benson, George Ehrlich, David Hoffman, Jerry Klonoff Morris Krow, Harold Jeninson and Jacob Stein.

In observance of the Jewish book month, Rabbi Shore chose as his sermon topic "Jacob's Sorrowful Experience with His Only Daughter Diane," a story of the strange love affair and its consequence as it is told in the book of Toldot.

Festival of Lights Worship Is Dec. 1

Hanukkah, the joyous festival of lights will be ushered in with a family worship service on Friday, Dec. 1, at Congregation B'nai Israel, 67 Los Banos, Daly City.

Rabbi Shore has chosen for his sermon topic for that evening: "The Comparison of Hanukkah Today with That of Ancient Times." He will dwell on the freedom and independence of Israel as compared to the trials and tribulations of the Jewish people under the yoke of the Greeks.

Saturday evening, Dec. 2, the congregation will hold its fifth annual installation dinner at A. Sabellas, Fishermans Wharf. The festivities will begin at 8 p. m. with the traditional kindling of the Hanukkah lights for the first day of Hanukkah. After the installation there will be dancing in the Capri room. Those who wish to make last-minute reservations may call David Hoffman, JU 8-0800, or Sherman Cohen, PL 5-8126.

On Sunday morning, Dec. 3, the children of the B-nai Israel Religious School will host their parents at a Hanukkah program commencing at 10:30 in the Sanctuary. After the program, the Sisterhood in turn will entertain the children in the social hall with candies, cookies and other refreshments. Dreidels will be distributed and games will be played.

Ursuline Guild To Show Yule Spirit

To express the spirit of charity that is Christmas, Ursuline Guild members will exchange simple gifts at their meeting on Wednesday, Dec. 13, at 8 p. m. in St. John's High School auditorium.

If mothers wish, they may also bring an article for the newborn layettes that are being assembled for Christmas.

At this meeting, Mrs. Paul Gaffey, general chairman of the silent auction scheduled for June 10, will name the committee chairmen who will assist her.

"Holiday Entertaining," an illustrated talk, will be presented by Mrs. Louise Fletcher of the Pacific Gas and Electric company. Santa Claus has been invited to close the meeting by leading the guild in the group singing of old Christmas favorites.

EYC To Have Local Carwash

Saturday, December 2 is the date set by the St. Martin's Episcopal Young Churchmen for a car wash at the Flying A Service Station located at Westmoor and Southgate, Skyline Plaza, Daly City.

Many of the local youth belong to the EYC which is a teenage group sponsored by the St. Martin's Church. All the members will be on hand December 2 from 9:30 a.m. to 5 p.m. to do their best to raise money to send delegates to a youth convention at Asilomar. The cost has been set at .99 and Advisor Mrs. Daryl Ober promises that the car washers will turn out a professional job of washing on all the cars.

New Members Received In Cub Pack 259

Cub Tracks bulletin, published by Pack 259, announces that four new Bobcats were inducted into the pack, according to Cubmaster Frank Swanson.

They are Billy Jones, Jeff Simoneau, Steve Kerekes and William Sherbert.

The following received awards:

Bear award, Ken Nocentini; gold arrow on bear, Mark Fontana, Don Shotts; silver arrows on bear, Ron Shapansky, Ed Swanson; silver arrows on lion, Robert Rowe; denner stripe, Ron Shapansky, Ed Swanson; assistant denner stripe, Gary Fleischauer, Ed Davidian; Webelos badge, Robert Rowe, Mike Buell; one year pin, Mark Fontant, Don Shotts; two year pin, Greg Raymond.

Steve Mazza, Den II, placed first on Derby Night to win pack champion honors. Mike Buell, last year's winner, presented him with the trophy. Second place winner Ron Shapansky, Den I, was presented a trophy by his father. Michael Coker, Den IV, received his trophy from Dennis Buell.

The following first and second winners in each den were presented with certificates and will participate in the northern district derby: Shapansky and Roger Mattson of Den I, Mazza and Gary Fleischauer of Den II, Billy Jones and Danny Proctor of Den III, Michael Coker and Toby Kazavan of Den IV, Edward Davidian and Kevin La Rock of Den V and Bruce Bushner and Greg Raymond of Webelos.

Tentatively planned for Dec. 2 is an aquarium outing. Dr. Herald of the "Science in Action" TV show will have a special behind the scenes program set up for the pack at the aquarium.

YWCA To Have Fashion Show

Adding to the fun and excitement of the Holiday Season is the December 7 Fashion Show and Luncheon sponsored by the YWCA of North San Mateo County and slated for the Westlake Bowl.

Members of the Y Bowling League will hostess the gala event and will also furnish some of the attractive models. The latest in high style fashions from Jay Vee and Fern Werner Stores of Westlake will be shown and popular commentator Mona Baker will be on hand to describe the lovely clothes. A highlight of the 1 to 3 afternoon will be the appearance of a mystery bowling personality.

The cost for the luncheon and fashion show will be $2 and reservations can be made by phoning PL 6-7370 or by calling at the Y office, 375 South Mayfair, Westlake, Daly City.

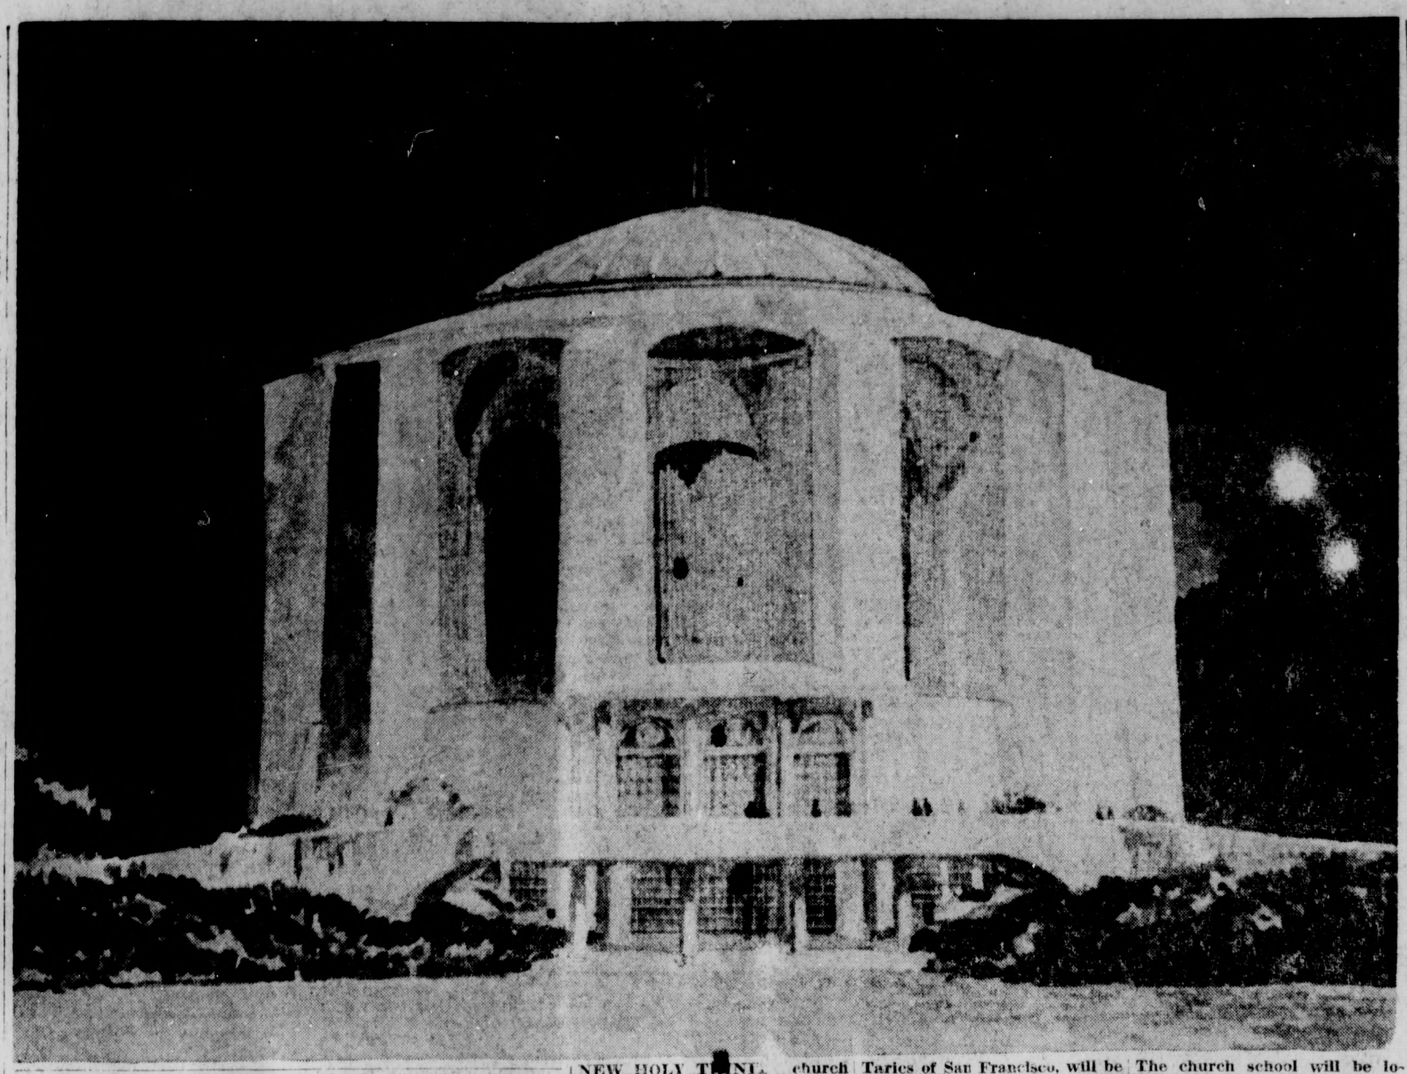
Daly City Broker Shot By Secretary

A Daly City broker was reported in fair condition Monday at San Francisco General Hospital, the victim of a bullet wound suffered in a "love quarrel" with a 25-year-old secretary who took her own life.

Shot twice in the abdomen was stockbroker Eugene Coler, 30, of 58 Crestview, Daly City. The secretary, Mary Hintz, was reported despondent over her romance with Coler.

She wrote that she was pregnant and shot him because he wouldn't marry her. Police said the shooting followed an evening of violent quarreling between the couple.

Officers said Miss Hintz shot herself twice in the mouth and her finger was still on the trigger of the automatic pistol when she was found behind the living room sofa.



NEW HOLY TRINITY church and school of the Greek Orthodox faith will be erected on Brotherhood Way in San Francisco. The church, designed by Reid, Rockwell, Banwell and Tarics of San Francisco, will be circular in form with an approximate seating capacity of 900. Ground breaking ceremonies were scheduled for Nov. 19 at the new church property. The church school will be located directly below the church with 15 classrooms to accomodate approximately 300 children.

Westmoor Plans Opening Game

Latest word on the annual PTA basketball classic between Westmoor High School faculty and the Westmoor High Seniors on December 2, is that Glenn South will coach the faculty. The faculty hopes to get back on the winning side this year.

PTA dinner tickets at $1.50 for adults, and 75 cents for children, 12 and under, include admission to the game. Sports fans may buy tickets to the game separate at a cost of 50 cents for adults and 25 cents for students with student body tickets. Children 12 and under will be admitted for 25 cents. Tickets for the basketball game may be purchased the night of the dinner and game.

All parents and students should attend. Mrs. Benjamin Pulsifer, president of the Westmoor PTA unit points out that this is the only fund raising activity of the year, and all funds raised by the PTA from the game and the dinner are budgeted for student scholarships and other student activities.

The second basketball game of the evening will pit the Westmoor Varsity against the alumni. The basketball game will start at 6 p.m. between the varsity and the alumni, with the big game of the evening between the faculty and the seniors to follow. Dinner will start serving at 5:30 p.m.

There being no general meeting in December, the next meeting of the PTA will be January 18, 1962, and the program to be presented will be "Students in Action."

Thanks Given For UNICEF Donations

Westmoor High School freshmen Hartley Appleton and Mark Rabinowitch and Sandy Rabinowitch of Westlake High School solicited for UNICEF on Halloween night in the area of Wilshire and Cliffside drive and obtained $19.05.

The sum was forwarded to the U. S. Committee for UNICEF, P. O. Box 1618, Church Street Station, New York 8, New York.

"The residents of this immediate are were very generous and the boys would appreciate it if the donors were publicly thanked for their contributions," Hartley Appleton, Sr., stated.

Peninsula Chapter Meeting Is Dec. 5

Paul Speegle, reported for the News-Call Bulletin, will speak Dec. 5 before the Peninsula Chapter 35 annual Christmas festivities at Brentwood Lodge in South San Francisco.

The chapter is one of many located throughout the United States and is composed of law enforcement officials and citizens interested in law enforcement and its attendant problems. This is the third year for the Peninsula chapter.

Students At Edison Learn About UNICEF

Upper grade students at Thomas Edison were given food for thought during a Thanksgiving assembly program, November 22, when student delegates to a recent all-county UNESCO Conference reported their experiences. The emphasis of the program was on UNICEF (United Nations International Children's Emergency Fund) and the contributions of that agency toward better health and nutrition for children in underdeveloped countries.

Marcia Jones led the assembly group in the flag salute and introduced members of the student panel. Each one reported on a different feature of the conference. Janice Karp described the experiences of Dr. Norton Benner, a physician aboard the hospital ship Hope, which carried UNICEF supplies to Indonesia. She also showed pictures of Asians receiving much-needed supplies.

An Esperanto lesson similar to one received at the conference was conducted by Larry Sullivan, and he proved to be a good teacher. At the conclusion of his lesson, the assembly group had mastered the pronunciation of the Esperanto number system up to one million or "miliono."

Claudia Orozco and Jean Amaroli concluded the student portion of the program with a list of services and activities conducted in other schools to promote international understanding. Some schools adopted orphans, others exchanged penpal letters or tapes; some contributed books or subscribed to the UNESCO Courier.

The film portion, "Assignment Children," featuring Danny Kaye, met enthusiastic approval by the audience. They could see how medicine and food supplies were distributed in various parts of Asia and the responses o the children receiving them.

Thomas Edison students returned to their classes with new reasons to be thankful for the abundance in our own country and the question: "What can I do to help?"

Miss Elizabeth Johnson was faculty advisor for the group.

Consolation certificates were won by Chris Wright of Pack 80, South San Francisco, and runner-up Gary Fleischauer of Pack 259, Broadmoor.

Big Turnout At Vista Grande Dedication

A capacity crowd attended the dedication of Vista Grande School on Nov. 16.

Among the honored guests introduced by Mrs. Al Tiraschi, president of Vista Grande-Thornton PTA, were: Dr. David Shapiro, assistant superintendent of Jefferson Elementary School District; Thomas Noonan, Joseph Lewkowitz, and O. Wayne Douglas, members of the Board of Trustees; Mario Ciampi, architect and designer of the school; Mrs. Louine Bostwick, principal of Pauline Brown School and formerly of Vista Grande; C. J. Martindale, principal of Garden Village School and also formerly of this school; Mrs. Mendel Plansky, president of Jefferson High School PTA; Mrs. Del Wilson, director of education for 17th District CCPT.

Ciampi opened the ceremony with an address. The plaque was presented by Thomas Noonan to Jess Parks, principal of Vista Grande, and Mary and Scott Tiraschi, who represented not only the student body, but also the Brownie and Cub Scouts sponsored by the PTA. Assisting in the ceremony were Brownie Troop 379 with leader, Mrs. John Rush; Brownie Troop 478 with leader, Mrs. William Grfoerer; Cub Pack 350 with Cub Master, Mike Lemke.

The question and answer portion of the PTA program was moderated by Abe Gensel. Also of interest to the audience was the presentation of achievement awards to deserving members of Cub Pack 350 with a candlelight ceremony.

Frosh President Makes Plans For The Future

by Randy Marcus

The president of the freshman class at Jefferson High School, Kay Loeser, is a fairly recent member of our community, having lived here for approximately two and a half years. She has spent most of her life in Albuquerque, New Mexico, although she is a native Californian and was born in Los Angeles.

Her major ambition at the present is to try out for cheer leader in her sophomore year. Kay has had experience in this position as the cheerleader for the seventh and eighth grades. She now does her cheering as a member of the Pep Club.

Although she takes special pride and interest in her father's hobby in the field of art, Kay finds her own interests run more todancing and reading in her free time.

Kay has already made some definite plans for her future. After high school, where she feels she is an average student, Kay intends to enter Kansas State University where she will study to become a laboratory technician.

Donations Needed For Goodwill Industries

More than 18,000 residents of San Francisco contributed their unused articles to Goodwill Industries during the last four weeks, Kenneth G. Foster, executive director, reported.

Because each of the 24,000 bags donated created five hours' employment for the 250 handicapped employees in the main plant at 980 Howard street, Goodwill is presently operating on a day-to-day basis. This could result in a serious work shortage, Foster said, should donations of discards lag.

Especially needed are furniture and household appliances. Call DO 2-0779 for a pick-up truck.

Brownies To Donate Apples To Shriners

Brownie Troop 234, under the leadership of Mrs. Justin Gross and Mrs. Kenneth Edwards, recently held their investiture with a party for both girls and mothers.

The girls in this new troop, all from the second grade at Olympia School, include: Caroline Ciccom, Carol Edwards, Janice Hill, Denise Gross, Pam George, Karen Jabin, Janet Feldman, Joan Markay, Kathleen Noonan, Terri Storm, Ellen Saltzman, Linda Larsen and Michell Adams.

Troop 234 has many holiday projects, one being a Santa Claus made from apples, to be donated to Shriners' Hospital for the Brownie girls who are unable to be at home with their families.

Local Sailor Attends Electronics School

Kenneth E. Weddle, seaman apprentice, U. S. Navy, son of Mr. and Mrs. Clyde W. Weddle of 1461 Southgate avenue, Daly City, was graduated last week from nine weeks of recruit training at San Diego, Calif.

After spending 14 days leave with his parents, Seamon Weddle will be assigned to light photo squadron 63 at Miramar Naval Air Station, San Diego, for eight months of on the job training before reporting to Treasure Island for 26 weeks of electronics school.

Seaman Weddle enlisted at the local Navy recruiting office, 6705 Mission street, under the High School Graduate training program, which guarantees a qualified high school graduate a service school in the field of his choice.

DISASTER WAGON — Joseph Lewkowitz, Daly City coordinator for disaster for the San Mateo county disaster committee of the Red Cross, checks out the new San Mateo regional disaster wagon with Howard Hoops, assistant director of disaster services for the Golden Gate Chapter. A special report to the San Mateo region board of directors, with Monroe Brown as chairman, will be made Monday, Dec. 11, by the disaster committee which covers the entire Peninsula.

6-Car Pileup On Junpero Serra Blvd.

Autos were tied up for a half hour in the early morning rush-hour traffic on Junipero Serra boulevard, just south of Alemany boulevard Wednesday when a two car rear-ender crash resulted in four more rear end collisions.

Four cars were towed away but no one was hurt.

San Francisco police said a car driven by Donald C. Williams, 1309 South B. street, San Mateo, traveling north of Junipero Serra, hit the rear of an auto stopped in the lane of traffic by Robert K. Kualls, 2939 Lexford street, San Jose.

Kualls had stopped because a car was stalled in front of him. This resulted in a car going north on Junipero Serra driven by Elmer N. Baker of Burlingame to hit the rear of a car driven by Anthony B. Fochetti, 713 Sycamore avenue, San Bruno, causing Fochetti's car to hit the rear of a car driven by Henry F. Hawthorne, 449 Walnut street, San Bruno. His car hit the rear of a car driven by Gorgaelo Rago, of 533 Serra Drive.

TN LOSES BUT COACH PLEASED

The Tigers had lost, but Floyd Gonella seemed to be pretty pleased with things, last Wednesday afternoon.

"It was good finishing game. Our best offensive effort of the year," he said.

"Starting with the Hillsdale game, we played three good ones. If the season could start today, we'd do all right."

The Tigers had just lost by one touchdown to the Westmoor Rams on a grey rainy afternoon at Westmoor. They played well, and the teams were evenly matched.

The Tigers doubtless got a good deal of encouragement from the large entourage of parents and students that bussed over from the Pacifica High School. Although Terra Nova was the visiting team, by far the largest cheering section was theirs. The poor Rams seemed to be going it alone at their own school.

"South San Francisco was our best defensive game, and this our best offensive. The boys are beginning to hold their own," said Gonella.

When the game ended it was almost pitch black. A dank dark day bringing to appropriate end a dismal Daly City football year.

Senior Citizens in Area Are Active

At the regular meeting of the Westlake Senior Citizens last week, the group reviewed the accomplishments of its first year of activity. Organizers of the group, Mr. and Mrs. John Madsen, Mrs. Gladys M. Titter, and Mrs. Ivyle Lereer, were honored. Mrs. Ritter, the first president, was also honored for her guidance during the past year.

The needle craft ladies group was honored. Pictures were taken, and a birthday cake was served.

Mrs. Madsen made a report to the members on her recent trip to San Francisco to attend the White House regional conference, senior citizens seminar.

Mrs. Beatrice Batz, the present president, made a report on her trip to San Mateo to attend a meeting laying the groundwork for a federation of all the Senior Citizen groups in San Mateo County.

This senior citizens organization meets at the Baptist Church auditorium on Southgate avenue every Wednesday from 10:30 a.m. to 3 p.m. Members bring their own sandwiches. Coffee, tea, and desert are served.

All senior citizens in the area are cordially invited to attend the next meeting.

Municipal Chorus To Present Annual Yule Concert December 3

The San Francisco Municipal Chorus, under the direction of Dr. Hans Lesche, will present its annual Christmas concert on Sunday, Dec. 3, at Glide Memorial Church, Taylor and Ellis, at 3 p. m.

The Christmas portion of Handel's "Messiah" and J. S. Bach's cantata "A Stronghold Sure" will be presented. The chorus will be accompanied by Ludwig Altman, organist, and the soloists are Margaret Price and Rhonda Shesna, sopranos; Bernice Sprague, contralto; Richard Mayer and Kenneth Small, tenors; and Robert Vinson , baritone. Admission is free.

Abe Lincoln School Has Varied Schedule

A district wide reading workshop for grades one, two and three, was held at Abraham Lincoln Elementary School on Monday, November 13 under the direction of Mrs. Margery Yates, general consultant for the Jefferson Elementary School District.

Teachers of primary gardes throughout the district gathered at 3:30 p.m. to participate in the following discussions: "Special Problems in Word Recognition," conducted by Alice O'Connell and John Belforte; "Choral Speaking in the Reading Program," by Alfea Belli, speech cordinator for the district; "Procedures with Slow Readers," by Mrs. Yates; and "Independent Activities in the Readiness Period," by Claire Klaisner and Eleanor Zenovich.

During the second period of the workshop Foula Lamp and Louise Bostwick presented "Developing Depth in Interpretation;" Jean Oberlander and Marjorie Tobias discussed "Techniques for Improving Oral Reading;" four teachers—Shirley Mitchell, Lisa Pumphrey, Judy Smith and Don Pagani conducted "Motivating Independent Reading;" and the discussion on extension reading was handled by Mrs. Yates and Mary Chalios.

The third grade reading discussions were conducted by the following: extension reading by Miss Lynette Hoffman and Dr. Lloyd Andrews; teaching the vowels, by Mary O'Rourke and Robert Abbey; charts in the reading program, by Melaine Fernekes and Charles Martingale; and procedures with slow readers, by Audrey Sherins and Harry Aronson.

PTA Discussion

The first afternoon parent-teacher meeting to be held at Abraham Lincoln, on November 14, opened the way for future informal gatherings. The parents of the primary grades met with the teachers from the first, second and third grades in a group effort to understand the curriculum and problems of children of this age level.

After a talk by Jack Danielson on the district services available to teachers and the special services conducted for school children, the parents gathered in small groups with the teachers. Conducting these informal discussions were Mrs. Arleen Byers, Mrs. Carole Gillis, Mrs. Judith Williams, and Mrs. Lea Fox, first grade teachers; Mrs. Barbara Ryan, Miss Peggy Kirk and Miss Carol Mc Hugh, second grade teachers; and Mrs. Olga Pless, Miss Lynette Hoffman and Miss Jacqueline Long, third grade teachers.

Pre-Historic Times

The sixth grade class of Miss Elizabeth Wilson, has begun its committee work on pre-historic times. Eight committees are at work on this project. Sharon Rudnick is chairman of the committee on the time chart of the areas of the world. Plaster fossils is chairmaned by Joan Broner. Darla Carmarena and her committee are working with paper mache animals of prehistoric times, while pictures of early life, chairman Clair Groulx, and the depicting of an erupting volcano, chairman Edyth Hughes, are nearing completion. The complete story will be covered by the work of Skipper Mayfield, shadow box movie of early times; mural of the tar pits, chairmaned by Jim Hunt, and play of the cave man, with Sue Baracco in charge.

Every member of the class will participate in this presentation. Accompaying the visible project will be oral and written reports on the topic.

Shopping Center Visited

Three first grades of the school visited the Skyline Shopping Center during the past week. Room 10, Mrs. Lea Fox, teacher, walked the few blocks from the school, accompanied by Mrs. Oscar Otterbeck, a class mother. The children were particulary interested in the vegetable section, buying fruits and vegetables which were unfamiliar to them in order to study the taste and color.

Mrs. Judith Williams' first grade visited the Skyline Market where they were piloted by Kurt Poehleman, night manager. Under his tutelage they viewed not only the market itself with its many sections, but were taken back stage to see the vegetable storage rooms, the frozen meat lockers, the receiving platforms and the truck and delivery sections.

On November 21, first graders in Mrs. Arleen Byers' class were accompanied on their trip to the shopping center, by four mothers from their class—Mrs. John Dunn, Mrs. Donald Gibbons, Mrs. Warren Hutchins and Mrs. Frank Mendez.

The class had discussed the functions of a super market before making the trip and were encouraged to look for outstanding points of interest. The in and out doors, the shopping carts, the check out areas, the division of the space into dairy, fruits and vegetables, meat department, the frozen food section — all were viewed and questioned. The trip impressed upon the children the many different people who are involved in bringing food and supplies to the public.

All of the first grades are busy in their classrooms using the knowledge they gained from first hand experience. They are setting up stores, involving their lessons in arithmetic, spelling, reading and art.

Final PTA Meet

The final Parent-Teacher group conference for Kindergarten B, of Abraham Lincoln Elementary School, was held on Thursday, November 16 at the home of Mrs. John Casey on Westmoor avenue. This informal discussion group consisted of Mrs. John Post, Mrs. William Kennedy, Mrs. Raymond Sterling, Mrs. Joseph Stavish, Mrs. Lewis Thompson, Mrs. Ruth Stoklosa, Mrs. Casey and Mrs. Kay Bollendonk, teacher.

The parents evpressed their appreciation of this opportunity to have outlined the aims of the kindergarten and the importance of parent-teacher cooperation in the development of the kindergarten curriculum. From these informal gatherings has come understanding on the part of both teachers and parents and a willingness of parents to participate more thoroughly in the school program.

Vista Mar Children Enjoy New Events

The children in Mrs. Angeline Friedman's fifth grade class at Vista Mar have been studying colony life in our country.

As a culminating activity, one of the groups presented an original drama to all the children in the fourth and fifth grades of the school. The drama was in four scenes and depicted the landing of the Pilgrims and the first Thanksgiving. The children tape recorded the speaking parts of the play and the action was in pantomime. They made the scenery and decorations during the art period.

Members of this committee were Barry Brown, Michael Conrad, Beverly Daniels, Dennis Lincks, Marilyn Morris, Candy Sousa, and James Torlakson. They were assisted by Jack Benezra, Joel Lesser, and Michele Seesee. The whole class joined in for the closing song.

RELIC FOUND

Mike Di Puma, third grade student, presented to Vista Mar a relic which his father uncovered while building a dam at Stumpy Meadows, just outside of Sacramento. The relic is an Indian grinder, complete with bowl and pestle.

Mike, a student in Don Knudsen's third grade, brought the relic to school because his class was involved in a social science unit—the Pueblo Indians.

The school appreciates Mike's thoughtfulness and will share this relic with groups who study Indian culture.

ARTISTIC EXPRESSION

Mrs. Helen Boyle, kindergarten teacher, presented a demonstration lesson to teachers of the same grade level in the Jefferson School District on rhythm and dramatic activities. The children reacted to the gaiety or somberness of the musical themes and volunteered to express themselves in keeping with the theme. Climaxing the demonstration was the scarf dance, in which the class indicated its ability to express action and life to an inanimate object—the scarf.

The unit on family and foods was developed by Mrs. Paula Shepard, first grade, as she demonstrated to teachers from other schools how this particular unit was integrated with social science, reading, number concepts, art, and oral language arts.

Prior to the demonstration, the class had taken an educational tour to Farmers' Market, where they had received samples of various vegetables. Since this happening, another first grade, Mrs. Marsha Zusman's class, has also taken this tour, the two classes teamed, and made a very nourishing soup at school. Correlated with this was an experience chart developed on this activity which brought out language art skills and creativity in writing.

The demonstration developed the concept of recognizing various fruits and vegetables, colors, numbers, kinds, etc., and being able to distinguish fruits and vegetables. Techniques of the flannel board at the classroom level served to make this demonstration meaningful.

The Sport Scene

By JIM GOLDSBOROUGH

And another football season is going — going — gone!

The local action chugged to a close last week with the playing of the final high school games. The week before, around the corner, San Francisco State played its last game, and our recreation department touch football leagues finished.

At Westmoor High, the one-year rivals, Westmoor and Terra Nova, ended the season with the Rams taking a 26-19 victory. It was probably the end of the rivalry as rivalries go, because next year TN gets Oceana to prey upon.

A new vendetta will form, and the Tigers suddenly will no longer be the inexperienced novices of the league, but instead they will be "vets," and new Oceana, plunged headfirst the first year into varsity ball, will be fighting to maybe once in a while win one.

I asked coach Floyd Gonella of Terra Nova how he felt about things after his first full varsity season—a winless one. He said he felt that the boys did as good as could be expected, and that they showed real improvement in the last few games. We talked about next season.

"I'm losing three key men," he said. "Katona and Boyette in the backfield, and Simmons on the line. That won't help. Coming back we'll have either eight or nine first stringers, and a total squad of about 24 men out of 30.

"Carruthers, Wehdemueller and Anduha in the backfield; Pick, Gentry, Kirkland, and Pettit on the line, and Hensley, Lally and Null on defense.

"Three men up from the JV's that could help will be Sal Dimini, Mike Blagrove, and Stan Childers."

Gonella wouldn't say exactly what he has planned for next year, but stated: "I'm a firm believer in adapting your formation to suit your personnel. We went with the wing "T" this year, but if I don't have a man who can throw like Katona, we might go with the single wing. Right now we don't have a top quarterback."

Serra High School was turned down on its application to join the new Mid-Peninsula Athletic League that will be inaugurated next year. The switch in Peninsula league alignments will begin with the fall football season.

The new North Peninsula Athletic League will have South San Francisco, Jefferson, Westmoor, Terra Nova, and the two new schools, Oceana and El Camino.

El Camino High will jump from frosh-soph ball right into varsity competition, and as mentioned before, Oceana is scheduled to go from nothin' to varsity ball.

Good Luck!

The Mid-Peninsula League will have Aragon, Burlingame, Capuchino, Crestmoor, Hillsdale, San Mateo, and Mills. Serra was refused admission because the principals wanted the attendance area of the league to be within the boundaries of the San Mateo Union High School District, and wanted all the schools to be under the same administrative school district.

I think they're afraid of getting tangled up in their own red tape.

Ed Tomasello tells us that George McKeon gave the recreation department 100 tickets to the recent Saints game against Cleveland. So the boys from the department grabbed 100 of the kids from their various leagues and piled out to the Cow Palace to see George's favorite team in action.

That's a great idea. Absolutely everybody benefits, and why not make it a regular thing?

At least one of the Saints, Dick Francis, is a Daly City resident. The tall, high scoring center dropped in 26 points in the Saints' last-minute victory over Washington last Friday.

For all the young intellectuals who read this column, the recreation department's basketball season starts on December 2. Don't fail to get into this competition if you plan to star for one of the local varsitys in years to come.

Grades five and six will play Saturdays at the War Memorial Building. Grades seven and eight, Saturdays at Westmoor High School.

Rams - Tigers Battle In Rainy Scoring Duel

By JIM GOLDSBOROUGH

Westmoor defeated Terra Nova last Wednesday afternoon on a sodden, rainy day that had surprisingly little effect on either team's offense.

Final score was 26-19.

Led by the running of Mike Barich and Mike Kearney, the Rams kept to the ground, and three long touchdown drives, plus a 51-yard Steve Funai to Steve Schmuck pass proved enough for the victory.

Terra Nova stayed in it all the way and put together its second good game in a row, closing this first season as a much improved club. Against both South San Francisco and Westmoor, Terra Nova lost by only one touchdown, and in this, the final game of the year, the Tigers scored more than one touchdown for the first time this season.

The first play of the game was a 44-yard Ram pass from Funai to Schmuck that was called back. Rams offside.

Heartened by their good fortune, the Tigers' Manual Pick picked off a poor pass from Funai, and behind the running of Jim Boyette they drove toward the Ram goal. Boyette fumbled on the 10, and as the ball bounded toward the goal, end Dewey Milton fell on it for the first six points of the game.

The point attempt failed, but the Tigers had scored first in their second straight game.

The Rams came right back, and with Funai giving the ball alternately to Barich and Kearney, slugged their way in seven plays 61 yards to a touchdown. Barich ran it over from the seven. Then he added the extra point.

Score: 7-6.

Westmoor's second scoring thrust pushed the ball over early in the second period, and gave the Rams a 13-6 lead. Six plays ended with a 21 yard end run by Kearney. The running conversion failed.

Terra Nova came right back, and with Bob Weydehmuller setting things up with a 36 yard scamper down the right sideline, Don Katona bumped it over with a two-yard QB sneak. Kim Post ran in the extra point, and the Tigers had tied it.

That lasted about two minutes.

Funai, believing in hitting with your big one right away, fired a 51 yarder to left end Schmuck, and Steve made it to the Tiger 30 before being caught.

Kearney banged out 20 yards off tackle, and Barich went through center for the final 10. Funai swept end for the point and the Rams had it at the half, 20-13.

Westmoor put together its longest scoring drive of the day early in the third period.

In eight plays, four runs by Barich, and four runs by Kearney, Barich plugged in from the two. The conversion was stopped, but the score went to 26-13.

With the grey day rapidly becoming black, the Tigers fought back in the last period.

On two successive series of downs, the Rams were thrown back for big losses. Funai once found himself with a third and 34. In the closing minutes, the Tigers got the ball, and with three passes from Katona moved down to the Westmoor six.

From there, Katona hit Roland Isnor in the end zone, and the Tigers had their third score of the game, and best offensive effort of the year.

SSF High Parents Coffee Hour Dec. 4

A coffee hour will be held at the South San Francisco High School, Monday, Dec. 4, at 8 p.m., in the cafeteria for all the parents of the senior class.

This meeting is to bring all the parents up to date on all senior activities between now and graduation, such as "grad night."

Mrs. Elmer Hitchcock, chairman of the senior breakfast last year, will be there to explain how it was done last year and answer questions from senior parents. The South San Francisco PTA will provide the refreshments.

Garden Village PTA To Host Glee Club

The Garden Village Glee Club, under the direction of Mrs. Cooper, will be featured at the Dec. 5 meeting of the Garden Village PTA. Parents are reminded that the program begins at 7:30 p.m. in the school's multi-purpose room.

One of the matters on the business agenda for the evening will be selection of the Honorary Life Membership Committee inasmuch as this will be the last meeting until the Founders Day gathering, at which time the award will be presented.

Refreshments will, as always, be served following the meeting.

Warriors Come On Strong In Thanksgiving Eve Battle

Jefferson hung on for three quarters last Tuesday night, but the game lasted for four.

Final score in this game against South San Francisco was 25-6.

Going into the fourth quarter, each team had battled up and down the field, but was able to score only once. It was 6-6 and still anybody's game.

Early in the fourth quarter, the Warriors drove down to the Indian 25 yard line and, facing a fourth and 17, reserve quarterback Rich Wickersham fired and hit end Dick Drake in the end zone. A good conversion made it 13-6.

The Indians took the ball, could not move, and were forced to punt. South San Francisco took the ball and in eight plays was able to move it over again for a 19-6 lead.

Then, with Bob Miller trying hard to pass his team back into the game, one of his passes fell short and was picked off by Warrior defender Ed Booth. Booth took it all the way to the Indian eight-yard line, and from there Wickersham pushed it over for the final Warrior score.

The Indians' only score came in the third period on a pass-run play from Miller to Sam Ennon that covered 55 yards. From there it was all South San Francisco.

Plymouth awarded styling citation
by National Society of Interior Designers

Here's the beautiful difference in the low-price field! This brand-new full-size Plymouth is so genuinely new and luxurious it has just received a special styling citation from the National Society of Interior Designers!

Your first look at Plymouth—with new Forward Flair Design—makes it pretty obvious how beautifully new this car is *outside*. Slender new dimensions all around. Gleaming new grille. Tailored, tapered hood. Eagerness to get going, reflected in every action-inclined line. The other half of the story is inside. Luxury is the keynote, with rich new fabrics, tasteful in color and design, durable in service.

There is also a *third dimension* to Plymouth's beauty—*quality*. It comes alive as something you can touch, feel, and enjoy in Plymouth! You find it in Plymouth's full-unit construction, battery-saving alternator, Torsion-Aire suspension. You find it in improved gas mileage, oil changes half as often as before, and 32,000-mile lubrications on major chassis points.

The styling *award* is ours. But the *rewards* can be yours. See Plymouth's beauty in a glance. Enjoy Plymouth's quality in a drive. See your dealer today!
